Phoenix Mutual LIFE INSURANCE COMPANY.
HARTFORD, CONN.
ASSETS, Securely Invested, ... \$7,000,593.13
All Liabilities, ... 1,761,147.18
RATIO OF ASSETS TO LIABILITIES larger than that of any other Company of equal age, being 14.66 to 1.
DIVIDENDS, paid to Policy Holders, \$1,021,217.33
INCOME in 1870, 2,827,035.12
The Progress of the Company for the last Five Years has been as follows:
Assets at end of year. Income for the year.
1866 ... \$1,457,314.55 ... \$ 818,667.71
1867 ... 2,218,244.23 ... 1,479,944.28
1868 ... 2,644,000.28 ... 1,569,835.64
1869 ... 3,081,075.50 ... 2,132,979.60
1870 ... 3,600,262.13 ... 2,827,035.12
Within the past five years the Assets of the Company have increased more than Five Million Dollars, notwithstanding nearly a Million Dollars have been returned to Policy-holders in Dividends, and one and a Quarter Million Dollars paid in losses by Death during that period.
That this is a progressive Company is demonstrated by the following Comparative Statement of Business in 1870 and 1870, respectively:
No. Pals. Issued. Sum Assured. Assets.
1870 9,065 88,779,124 2,227,038.13 6,000,593.13
1869 9,065 88,779,124 2,227,038.13 6,000,593.13
That the business of this Company is managed in the strictest economy, is indicated by the fact that notwithstanding the large increase in business, the expenses have been in inverse proportion, as will be seen by the following table:
Ratio of expense to Premium Receipts, 1870 1869 1868 1867
15.11 15.20 15.07 20.53
Ratio of expense to Gross Receipts, 15.11 15.20 15.07 20.53
As evidence of the special care taken by the Company in the selection of risks, it is sufficient to state that its Ratio of Losses paid to amount at risk, is smaller than that of any other Company of capital age, namely, 0.027, as compared with 0.037 of the average.
Since the commencement of its business the Company has issued more than 52,000 POLICIES, and has paid in losses One and Three Quarter Million Dollars to the families of those who have deceased while members of the Company.
J. F. BURNS, Sec'y.
\$120,000 deposited at Ottawa for security of Dominion Policyholders.
W. B. McSWENEY, Agent for New Brunswick.
