

**Boschee's German Syrup.**  
Can now be purchased right at home, it is the most successful preparation ever introduced to our people. It works like a charm in all cases of Consumption, Pneumonia, Hemorrhages, Asthma, severe Coughs, Croup and all other Throat and Lung Diseases. No person has ever used this medicine without getting immediate relief, yet there are a great many poor, suffering, skeptical persons going about our streets with a suspicious cough, and the voice of consumption coming from their lungs, that will not try it. If you do, it is your own fault, as you can go to your Druggist, E. Lee Street, and get a Bottle for 10 cents and try it; three doses will relieve any case. Regular size only 75 cts.

In this present age, when the life battle is so sternly fought, and when upon even the strongest the tug and stress of it so heavily, how necessary it becomes for us to provide for the keeping up of our reserve stock of mental and physical stamina by the use of such a nervous tonic and invigorating agent as "Boschee's Phosphoric Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime."  
It greatly stimulates and nutritive tonic properties supply the materials, and assist nature in her efforts to keep up with the exhaustive demands upon her reserve.  
Prepared only by HARRISON BOSCHEE, Chemist, St. John, N. B., and for sale by Druggists generally.  
Price \$1.00 per bottle, or six bottles for \$5.00.

**Protection on Iron.**  
Iron, one of the principal constituents of "Harrison's Quinine Wine and Iron," is so "thoroughly protected" in the above named popular preparation that it does not in the least degree affect the enamel of the teeth, and can be taken with all confidence by those suffering from Weakness, Want of Appetite, Indigestion, Stomach, Pimples, Boils and many other troubles arising from impure or thin blood.  
After an Attack of Fever, Measles, Diphtheria, or any wasting disease, HARRISON'S Quinine Wine and Iron is the best medicine to take. It gives lasting strength.
