Wedding Rings

WELL SAM, since the en gagement ring wears so well these long eight years you bought from G. G. Jury, I accept your proposal if you promise to buy the wedding ring from him also. My friend Nel was married a few friend Nel was married a few days ago, and you should see the beauty she has, and oh, so cheap. She says G. G. Jury has a fine abortment from 14k to 18k, and he buys them from the largest establishment in Canada, and they will last a lifetime, and you know one weddirg ring must do us these hard times. I am agreed I will go and buy am agreed, I will go and buy

Their schools were free; and at Deventer, in 1500, the number of stavents, in 1500, the number of stavents, in 1500, the number of stavents in 1500, dents reached twenty-two hundred.

and devotes a parsgraph to the statement that Manning's advocacy death of the saintly Margaret Clithof the doctrine of infallibility made cation from these zeal- roe, who was murdered under cirpiety and in charity, held as a fundamental principle that 'all learning gained at the expense of religion is only pernicious." In architecture, the pernicious. In architecture, the pernicious on the fifteenth century, activities the pernicious of the fifteenth century, activities the pernicion of the fifteenth century, activities the pernicious of the fifteenth century, activities the pernicious of the fifteenth century activities the pernicious of the fifteenth century activities the pernicious of the fifteenth century activities the pernicion of the fifteenth ewards with the conviction that the opposite, Father Smith truly asonly by submission to the apostolic only by submission to the apostolic serts, and proves by a recital of those see can they recover that unity of facts, which are matters of public faith lost to them at the Reforma-knowledge. The reverend reviewer tion, and there are grounds to justify devotes no small portion of his built could not have been erected the hope that the Mass shall again paper to setting forth in their true character certain incidents in Cardi-

earth.'

A CHRISTIAN SOCIALIST. A CHRISTIAN SOCIALIST.

Rev. F. X. McGowan, O. S. A., contributes to this issue of the Catholic body in Bingland, his personal character, the part he took in the Vatican Council, his attitude towards Cardinal Newman—this Father Smith calls writing of these "Relations," was great Christian socialist, Father McGowan is peculiarly fitted to write on his subject, as he attended, three years ago, the golden jubilee, which was celebrated in the basilica at Montmartre, in Paris, of the sociations," appears in this magazine from the pen of J. Arthur Young Workmen," one of Viscount of the Catholic body in Bingland, his personal character, the part he took in the Vatican Council, his attitude towards Cardinal Newman—this Father Smith calls writing of these "Relations," was some other matters. He claims that Mr. Purcell's work fails lamentably in its treatment of these things, merely hinting at most of them, without conveying any correct information. "The book, however," "Relations" contain an immense amount of information concerning

he work of safeguarding the lives them grow up catching religious impressions as they may, while the inducements of the saloons, the

orts combins to lead them astray. Rev. John Talbot-Smith reviews Purify your blood with Hood's earsal parille, which will give you an appetite, tone your stomach, strengthen your nerves.

As well as even.

As well as even.

Dear Sire, —After suffering for two years from acute indigestion I tried its march to the fuller daylight of B.B.B. I took only three bottles, which It portrays, "not the Manning of the spent on that article, that his soul strike in London, but the Manning of the bath-tub, where greatness disappears in the healthful but ri-diculous pastime of washing the buman skin. It is a portrait of littleness,and meanness." Father Smith him, he worked on a sound princi ple, but he made the worst possible him archbishop, that he destroyed the strength of the English episco-pate, that the Jesuita looked upon
