He told them of a river, whose mighty current lts freshness for a hundred leagues to ocean's slow change from habitual inertness to visit.

briny wave; He told them of the glorious scene presented to his sight, What time he reared the cross and crown on

Hochelaga's height, And of the fortress cliff that keeps of Canada And they welcomed back Jacques Carti er from his perils over sea.

Household Hints.

To use Damp Matches-Wet or damp

A Useful Lotion - Alder leaves steeped in hot water and applied warm will speedily reduce or prevent swelling occasioned by cuts, bruises, and wounds of Chocolate Biscuits-Mix some choco-

late powder, with white of eggs and powdered loaf sugar, into past. Mould this into biscuits, and bake them at a gentle heat on a sheet of white paper. To cure a Carbuncle or Felon. -Lime

and soft soap put in a thimble and placed on a carbuncle will speedily draw it to a hear a great deal about the vile body, and will effectually cure it. Sweet Potato Custard. -Boil two

common-sized potatoes; mash fine with one tablespoonful of butter; put in half a cup of sugar, half a cup of sweet milk, mix well, beat in three eggs and stir thoroughly; make a good pastry crust, and pour in enough for two pies.

Salad of Lima Beans.—Put some Lima beans, pototoes and beets (all boil-ed tender), on ice, and a short time beand dress with oil, pepper, salt and vine-gar. Garnish with a few watercresses.

Apple Folly.—Two eggs, one cup of white sugar, three sour baked apples, vanilla. Beat the white of the eggs and the sugar together then add the inside of the apples, which should be roasted soft; flavor with vanilla; beat this to a stiff froth. Any kind of jelly can be used instead of apple. To be eaten will be seen that among man's duties, with delicate cake or biscuit, and makes the care of the body is imperative. Not an ornamental dish for dessert or tea.

Wall ornamonts, -Lovely little brackets for the wall are now made of ebonized wood, with the back shaped exactly like a round Japanese fan. The shelf and the lower part, including the handle ought to pass on uninjured, if not important the control of t of the fan, are of the plain black, but the fan must be decorated in gay colors An ingenious woman may improve the appearance of an ordinary bracket by tacking a round fan to the wall behind

Elecampane or Candy Cake.—Take clarified loaf sugar and boil to candy height; rub it a little about the sides of the pan till it begins to gran or turn white, then throw it out upon a warm slab and divide it into squares. The sugar may be colored with cochineal by adding some to the syrup while boiling, sufficient to give it the desired tint. This used to be made from the decoction

GOSPEL OF RELAXATION.

Herbert Spencer on the Conditions of American Life.

Herbert S encer was tendered a complimentary dinner at Delmonico's, New York, last night. Hon. Wm. M. Evarts presided, and among the distinguished gentlemen present were Prof. Summer, Henry Ward Beecher, Carl Schurz, Hon. A. S. Howitt, Chas. A. Dana and Cyrus W. Field.

Spencer, after a few general introductory remarks, said: "Now that I have thanked you sincerely, though too briefrespecting American affairs and Ameri- whole household's plans for the day. can character, I have passed criticisms they are in general unduly civilized. ness and light" which we are told distinguish a cultured man from a barbarian: venge, he can exert himself energetical- then we are up in arms.

developed man. The STERN DICIFLANE OF SOCIAL LIFE neglects that while strlving for some still partment, as possible.

persistent activity has reached the excounter-change-a rerction.

men who had themselves suffered from time, the most inveterate cases. nervous collapses due to stress of business, or named friends who had either killed themselves by overwork, or been permanently incapacitated, or had wasted long periods in endeavors to recover health. I do but echo the opinion of all observing persons I have spoken to, that
