The board then adjourned.

A PECULIAR PEOPLE.—The Disciples of Christ, who preach the Goape I in the hall over Smith's bakery, East at, are a peculiar people. Last Saturday morning a number of loaded vehicles drove down to the lake, where a large crowd gathered, and, notwithstanding the cold, two persons went down into the water, --Miss Butchart and Mr Gerrard—and he baptized her for the remission of sins in the name of the Father, and of the Son and of the Holy Spirit, exactly the same as we read in the New Testament of the apostles and disciples of our Lord performing the rite. A similar occur-rence took place about four weeks ago, when two young men of Goderich con-fessed their sins and that Jesus Christ is ly, verily, I say unto you, except a man be born of water and of the Spirit he cannot enter into the kingdom of God,"
