

Mr. L. B. Stoddart.

New York Representative of Messrs. Bowring & Co. Steamship Agents and Commission Merchants.

One of the best established and most reputable of the down town shipping and commission houses in New York is that under the direction of Mr. L. B. Stoddart with offices at No. 17 State Street. The house of Bowring & Co. was established in New York immediately after the civil war under the name of Bowring & Archibald, having been formed by Mr. Wm. B. Bowring, of Liverpool, and Mr. Brenton Archibald, the eldest son of Sir Edward Archibald, who was at that time British Consul in New York. The firm soon became prominent in the general shipping and export business and for many years exported large quantities of petroleum. Mr. Archibald died, however, some four years after the company was established, and in 1902 the business was formed into an American corporation with Mr. F. C. Bowring as president, Mr. L. Bowring Stoddart, as vice-president and Mr. C. W. Bowring as treasurer and secretary. Mr. L. B. Stoddart began his business life in the English offices of C. T. Bowring & Co., Ltd., after which he was for two years with the firm of Bowring Pros. St. John's, Nfld. Some eighteen years ago he came to New York, succeeding here Mr. Thomas B. Bowring, who was leaving for London to fill the vacancy caused by the death of Mr. George Bowring, formerly at the head of C. T. Bowring & Co., Ltd., London. Messrs. Bowring & Co. are managing agents in New York for the well known Red Cross line of steamers which during the summer maintain a weekly passenger and cargo service between this port, Halifax and St. John's, Nfld., and are also New York agents for the Bibby Line of steamers operating an extensive service between Liverpool & Southern India via Mediterranean ports and taking goods at through rates from New York. The company represents in America several well-known firms of foreign shipowners and is able to represent by agents in the principal shipping centres abroad. The company likewise has its own house in San Francisco and has in late years done an increasing business to Australia, South America and the Far East. Mr. Stoddart is an active member of the New York Produce & Maritime exchanges and the genial efficiency of his business ability has given him a steadily increasing host of friends.—Shipping Illustrated, Jan. 29.

Teamsters Hard Time.

For several weeks past the Horwood Lumber Co. has been sending out a lot of lumber and machinery for the new fog alarm being erected at Cape Spear. Yesterday two of the teams went out with material and on the return encountered the full force of the snow storm coming in Blackhead Road. Time and again the horses were bogged in the big snow drifts, and on arrival men and beasts were pretty well used up.

Prisoner by Train.

Constable Ryan arrived in town last night bringing J. Gill, a prisoner from Conception Harbor, who was sentenced to 20 days imprisonment by Magistrate Murray, of Conception Harbor, for stealing a pig. He was arrested before he had time to enjoy eating many fresh steaks from the pig.

IN FOOD

What a Clergyman's Wife Found.

The wife of a Minnesota clergyman found the solution of her troubles in a simple change of food which she says:

"My case proves that proper food will cure almost any ail. For years I suffered from dyspepsia which became chronic and was treated by some of the most skillful physicians but was not cured.

"Medicine would help for a time but the old troubles would always return because the cause was still there, and kept me weak and sickly most of the time. I had the grip every year for five years, always suffered from colds and my whole condition showed that I did not get the proper nourishment from food.

"Finally I began eating Grape-Nuts according to directions. I may say that since that time my stomach has not troubled me at all but a remarkable change took place. All through the long cold winter I ate nothing but a saucer of Grape-Nuts and cream in the morning and no matter how severe the cold I did not suffer and I did not have the grip or even a cold.

"Grape-Nuts food certainly nourished me until I have a strong constitution, feel like a new person, and indeed never was healthier in my life."

Greek Military League Dissolved.

Special to Evening Telegram.

ATHENS, Feb. 18. Premier Dragoumis in a statement before the Chamber of Deputies today said that the convocation of assembly in extraordinary session was necessitated as much by the condition of internal affairs as by the foreign situation. He explained that the military league had agreed to dissolve, and all those desiring to return to a normal state of affairs had decided that there was no other alternative. The Premier said he would submit a programme approved by all the party leaders. If the chamber proved recalcitrant there might be undesirable consequences, and he warned them that there was no other way out of the predicament.

The U. S. Cruisers Unseaworthy.

Special to Evening Telegram.

NALITJO, Cal., Feb. 18. It has been learned that the cruisers West Virginia and Maryland are both in poor condition. When they reached San Francisco from the Orient last Monday the West Virginia, it is asserted, entered port running only two cylinders. Conditions in the engine room were such that the engineer of the ship not only recommended that the vessel be sent to Mare Island for a general overhauling but filed a formal protest with the Deputy against taking the West Virginia to sea when the fleet sails, on the ground that she is unseaworthy.

50 Injured by Police.

Special to Evening Telegram.

FRANKFORT, Feb. 18. It was 2 o'clock this morning before the police had cleared the streets of the crowds gathered in public protest against the proposed Prussian suffrage laws. To-day some 50 of the demonstrators are seriously injured. The Socialists insist that those attending the meetings had been advised by the speakers to go quietly to their homes and that most of them were doing so when a policeman who had arrested a man was fired upon by a party of would-be rescuers. This incident, they say, afforded the police the opportunity for which they were waiting—to attack the home-goers brutally regardless of age or sex.

Rioters Shot.

Special to Evening Telegram.

CAIRO, Ill., Feb. 18. With three companies of militia guarding the court house and jail under direct supervision of Adjutant Gen. Frank Dixon, Cairo settled down to-night to complete quiet after a strenuous 24 hours. It is believed the mob spirit is quelled. There are many scattered groups of men about the streets but no crowd is allowed to congregate. Threats were made against Sheriff Nellis for the killing of one man and the wounding of four others by the deputies in beating back the mob which attacked the jail last night to lynch two negroes.

Holy Name Meeting.

A meeting of the Holy Name Society will take place to-morrow after Last Mass in St. Patrick's Church. It is pleasing to learn that new members are joining every meeting. When one remembers the frequent instances of blasphemy heard on the streets of this city it is consoling to find a society like this putting forth every effort by word and example to out down the pernicious practice. Rev. Fr. Pippy will be present.

Minard's Liniment Co., Limited. Some time ago I had a bad attack of Quinsy which laid me up for two weeks and cost a lot of money. Finding the lump again forming in my throat, I bathed freely with MINARD'S LINIMENT, and saturating a cloth with the liniment left it on all night.

Next morning the swelling was gone and I attributed the warding off of an attack of Quinsy to the free use of MINARD'S LINIMENT.

Backache Suffering

A wonderful medicine is this man's description of DR. CHASE'S KIDNEY-LIVER PILLS.

Mr. Fred Gummer, Lillies, Ont., writes: "I can honestly say that Dr. Chase's Kidney-Liver Pills are a wonderful medicine. For six weeks last fall I could scarcely walk around for pains in the back and legs, and was almost completely unfit for work. Though I tried several medicines I got no better. I saw Dr. Chase's Kidney-Liver Pills advertised and bought five boxes. After I had used three boxes I was greatly improved and by the time I had them all taken felt as well as I ever did. I would advise anyone suffering from kidney disease to use Dr. Chase's Kidney-Liver Pills.

"We have also used Dr. Chase's Syrup of Linseed and Turpentine for bad colds and sore throat and would not be without these medicines for anything."
