GOOD ADVICE

It is a necessity to always have a bottle of good Brandy at hand.
What Brandy will you buy?

The Medicinal Brandy "Sanator" is not a properly so-called me-
dicine, but it has been selected from amongst the best known growings
for their effective principles, and it is distilled so as to develop its
tonic and digestive qualities. It is really the FAMILY BRANDY,
which name the public has, for a long time, bestowed on it.

The celebrated French physician, DR. PHARZELLE, Inspector-in-
chief of the Great Medical Services, says: "The medicinal Brandy
"Sanator" is eminently an easy digestive drink, remarkable for its
tonifying and reinvigorating properties."

Ask for Medicinal Brandy Sanator from your liquor dealer; he
has it.

DIRECTIONS.
Against weakness and bad digestion: a liquor glass at each meal.
Against Cold, Influenza: take as a hot drink, viz: one ounce and a half
of Brandy, one ounce of hot water, with a little sugar.
Against summer complaints; use with chopped ice, or cold water.
