To-Day's Messages.

GETTING AFTER THE BACHELORS.

MONTREAL, April 16. It was learned to-day at the City Hall that the Administrative Committee had issued instructions this week for the collection of Bachelor's Tax arrears for 1919, and also the Tax due this year.

PROFITTEERING CHARGES FILED.

DETROIT, April 16. Charges of profiteering were filed with the Federal Grand Jury here, yesterday, against seven retail grocers, by the Assistant United States District Attorney.

CANADIAN VETERANS PROTEST.

CALGARY, Alta., April 16. The local veterans decided not to picket the Land Settlement Office, yesterday, as a protest against the sale of Hudson Bay Lands by the Government. Twenty-four parcels of land were sold, valued at \$75,000. The G. W. V. A. protested that as the Government had received these lands back practically for nothing, they should have been thrown open under the homestead regulations.

A CUSTOMARY PROCEEDING.

HAVANA, April 16. Manuel Cabrera, President of Guatemala, against whose administration the revolution has been going on during the past fortnight, is believed to have sailed from the country on his way to Cuba, according to the newspaper El Mundo.

DENEKINE GOES TO ENGLAND.

LONDON, April 16. The War Office yesterday announced that General Denekine, former anti-Bolshevik leader in South Western Russia, who had previously been reported as leaving Constantinople for Malta, will instead proceed to England.

SOLVING THE PROBLEM.

KINGSTON, Ont., April 16. Mayor Nickle is trying to help solve the housing problem in this city, by offering a lot on a street that has sewer, water and gas, free to any citizen who will build on it a house at a cost of not less than \$2,000. He will endeavor to get other land owners in the same district to make similar offers.

NOT REPRESENTED.

ROME, April 15. Reports that the Holy See would be represented at the meeting of the Supreme Allied Council at San Remo are declared absolutely unfounded by Papal officials.

TWO OPINIONS.

CHICAGO, April 16. Reports from rail centres in the Central West and on the Pacific Coast to-day, bore out the assertions of the Railroad Brotherhoods and railway officials that the insurgent strike was dying out, and that traffic conditions were improved materially. In Ohio and Michigan thousands of men were idle, as a result of industrial heaps, caused by the stoppage of transportation. Strikers were reported to be returning to work in a number of cities and in Chicago where the unauthorized strike had its origin. Brotherhood officials said the backbone of the strike was broken. Insurgent leaders, however, continued their claims that the position of the strikers remained unshaken, and denied the charges of Attorney General Palmer that Radical influences were behind the strike.

FOOD HANDLERS STRIKE.

NEW YORK, April 15. Police reserves were sent to the West Side market district where several hundred teamsters and porters had walked out, at a time when New York was virtually cut off from its food supply by rail. Several trucks were attacked by the strikers sympathizers.

NOT UNCONDITIONALLY.

LONDON, April 15. Andrew Bonar Law, the Government leader, in answer to questions in the Commons to-day regarding the release of Irish hunger strikers from Mount Joy Prison, stated that they had not been unconditionally released. The statement contradicted reports from Dublin last night.

JAPS TAKING STEEN MEASURES.

WASHINGTON, D.C., April 15. An official statement by the Japanese War Office, on recent events at Vladivostok, received to-day, by Major General Inouye, Military Attache of the Japanese Embassy here, says the Japanese decision to disarm the Russian Army and Navy at a Siberian port was reached only after the Russians had opened fire on the Japanese sentries and patrols, and attacked a Japanese marine supply train.

ALL HANDS ON DECK.

WELLESLEY, MASS., April 15. Because of a shortage of domestic servants and laborers at Wellesley College, squads of undergraduates to-day assumed jobs as waitresses and

gardeners. Those working in the College grounds will earn thirty cents an hour and a smaller wage will be paid those working in the dining room.

LABOR OPPOSES "BONE DRY" ON-TARIO.

TORONTO, April 15. Opposition seems assured in the Legislature to the McCreary Resolution, which calls for a referendum on the question of the importation of liquor. Advantage is being taken of the position that it is not Government introduced business, and so far as present indications go, a good deal will be made of this point by those who take exception to the motion. The Telegram, in its news columns to-day, says, "Labor men are determined that they will not stand for bone dry legislation during the present session of the Legislature." They gave the Government fair notice of this at a caucus of the Labor Party at Parliament buildings to-day. So vigorous was their protest that the McCreary motion, calling for a referendum, which met with much opposition in the House yesterday, will be shelved for the time being.

NEW VETERANS LEAGUE.

OTTAWA, April 16. The first Ottawa branch of the Grand Army of United Veterans was practically formed last night, when about fifty returned men were enrolled as members of the League. The meeting was held purely for the purposes of preliminary organization, and lasted about half an hour. It was addressed for a few minutes by J. Harry Flynn, President of the G. W. V. A., formerly known as the United Veterans League, and by Rev. Colonel Stacey, C.M.G., returned Chaplain. There is a strong probability that Ottawa will be made headquarters for either the Dominion or provincial executive of the G. W. V. A., according to Mr. Flynn, who said after the meeting that it was the intention of the present executive in Toronto to make some move to the capital. It is the aim of the League to make the new branch here one of the strongest in the Province, he said, and there is every indication that there will be little difficulty in realizing this aim. "No, I don't think it likely," he stated, "that there will be an amalgamation between the G. W. V. A. and our organization at present. It is hardly possible that there could be, until the next Annual Convention of the G. W. V. A. Our two constitutions do not fit in, and it would be necessary for the two bodies to agree on certain changes, before there could be a complete amalgamation."

FIVE ONLY HELD.

LONDON, April 15. All the men arrested in Dublin on Thursday, except five, later were released, says a despatch to the Exchange Telegraphs from Dublin.

BAD FOR SELLERS.

HOULTON, Me., April 15. The distribution of potatoes from Aroostock County to points outside New England has been stopped by railroad strikes and the resulting embargo, causing an almost precipitate drop in the price here from ten dollars to four dollars to-day.

Police Court.

A man for being drunk on vanilla essence was fined \$1.00. A bottle of the stuff found on his person was confiscated by the police.

A tailor for not having a tail light on his motor car lighted was fined \$5 or 10 days imprisonment.

A young man was charged with a breach of Section 4 of the Intoxicating Liquor Act. He was represented by Mr. Halley. Mr. H. A. Winter appeared for the prosecution. An oilman of Pennywell Road was called and deposed he met the accused on his way home and asked him "how everything was going." The accused replied, "Fine, and if you want a couple of bottles of stuff I will get them for you." He afterwards received the two bottles and paid \$9.00 for them. The next day being a half holiday he drank the contents of one and got drunk. Asked by Mr. Winter what became of the other bottle, the witness said he did not know. Mr. Winter: "What became of you?" Answer: "I was arrested."

Mr. Halley cross-examined the witness, who stated that the stuff he bought was known as "moonshine"; he knew this because it was not rum, whisky, brandy or gin, but it had the color of rum. Replying to Mr. Winter the witness said he did not know how, why or where it was made.
