Newfoundland and Labrador.

Nine years after the granting

of a patent of establishment to the Society of United Brothers Churches on the coast of Labrador, a further deed was is sued by the then Governor, conveying to the Society lands on the Labrador coast upon which securing them in their settlements and purposes, and enwhatever assistance that could be reasonably given. It is very obvious from these old docuplete jurisdiction over Labrador, and heavy mails. and that jurisdiction vests to- 8.45 a.m. to-day. day. Not alone are these deeds teresting from an historical aspect, and should be valuable testimony in the preparation of the case for Newfoundland against the Province of Quebec. ing the contention of this Colony with regard to its depend-

By His Excellency Molineux Shuldham, Esq. Governor and Com.-in-Chief. A PROCLAMATION:

Whereas His Majesty in Council heathen, a parcel of land on the Intosh and Steele. coast of Labrador, for the establishment of a mission among the Esquimaux savages, and

Whereas it has pleased His Majessuch tract shall not exceed one hun- field from the storm. dred thousand acres to the Southward of Nain, and one hundred thousand acres to the Northward of Nain, and that the spots so to be their settlements be such as may in reformatory. The ladies already have

Successful Opening.

DEBATING SOCIETY INAUGARATED At the opening meeting of St. Andrew's Literary and Debating Society held in their Club Rooms last night. the following officers were elected for the coming season:-President .- Dr. R. C. Grieve.

Secretary .- Mr. D. Nicolson. Committee.-Messrs. A. K. Lumsden, A. G. Gibbs, T. Anderson, M. D. R. A. Templeton, D. Carmichael, D. McIntosh, L. Calvert, D. Ferguson. W.

To inaugarte the Society, a Hat De bate was held and a large number of ford's. It brought several passengers of the Society and commented on the Daiy Mail, the Committee is conusefulness of Debating Societies in vinced that modification of German general. The first subject to come up reparations agreement is necessary in 12.30 p.m. yesterday arrived in town for debate was the "Swedish system interests of Allied trade, selected to speak for the affirmative and made a very creditable address. Clouston led the affirmative side. Hon. John Anderson delivered an eloquent address on "Who are the men most in the public eye at present." Mr. Anderson thought like Thackeray, that they were the Georges, but he could only find three instead of the author's 'Four Georges," Mr. Anderson's selection consisted of H. M. King George the Fifth, Mr. David Lloyd George and "Our George." In a serio-comic vein. the speaker pointed out the claims to greatness of the "Three Georges" and was loudly applauded for his splendid effort. Several other subjects of a more ment Conference, Austen Chamberlain humourous nature were debated. Amongst the interesting information brought to light in the debates was that the Old St. Andrew's Debating

present constituted. These debates will be held every ing of the International Conference at These debates will be held every ing of the International Conference at Thursday and promise to be of an exceedingly interesting nature. Next fort will be made to arrive at an agreeceedingly interesting nature. Next fort will be made to arrive at an agreeweek the subject which will be dealt ment, which will secure substantial with is "Would the appointment of a and progressive reduction of the City Manager be an improvement on crushing burden of armaments."
