The New Crop Now in Blue Bird Tea

Say what you will about peaches kept
till Christmas, there's nothing to equal
their taste when taken fresh from the
branches and eaten with the sun still
shining on them.

So with tea.

The new crop has just been gathered
in the gardens of India and Ceylon—and
it's the most delicious in decades. Blue
Bird is the first to offer you this new crop
because, being the fastest selling tea by
far, it has disposed of the last season tea
and is offering you the fresh, crisp flushes
as fast as they come to Canada.

Taste the new tea in all its freshness—
