

Royal Oak Lodge Memorial Service

Royal Oak Lodge Memorial Service, July 1st, 1925, was held at Victoria Hall last night, there being a splendid attendance. Any Brother who was absent missed a great opportunity, for this service was a very impressive one from every standpoint. It was indeed a look up to the Honor Roll which was decorated for the occasion. Nevertheless we were proud to see 15 ex-service members lined up opposite the Honor Roll, and by their appearance not feeling any the worse for having gone through such hardships, thus showing the grit of the average Newfoundlanders. The order of Service was as follows:

1. Hymn: O God our help in ages past.
2. Portion from Ritual by Bro. Geo. Jones, W.M.
3. Prayer by Chaplin Bro. I. Butler.
4. Two minutes silence.
5. Last Post by Bugler Bro. Neville Bugden.
6. Placing a wreath on the altar by Bro. F. G. Bradley, Grand Master.
7. Address by Bro. F. G. Bradley, G.M.
8. Representatives of Navy and Army, the Navy being represented by Bro. J. T. Porter, who spoke very fittingly of the work of the Navy inasmuch as it safeguarded our shipping and those who travelled by them.

The Army was represented by Bro. A. J. Ivany, who related many touching instances in connection with the loss of our gallant soldiers on July 1st, but he was glad to say they were not dead to us as Orangemen. Their memory will live on.

Bro. F. G. Bradley, G.M., in his remarks gave utterance to the words of Col. McRae, "Fling the torch still higher," and told in his usual style all that it meant to those whose memory we are commemorating on this the 1st July.

Bro. R. J. Ivany, P.M., in representing Royal Oak Lodge, said in a very touching manner that when the call came he gave all that he had, but was pleased to say that it was more fortunate with him than it was with many others, in that his son was present with us tonight.

Bro. W. H. Cave, representing Leming Lodge, spoke very highly of the work of our gallant ones, both on land and sea, particularly on sea. As an importer of certain merchandise, he must of course praise the Navy for their splendid protection.

Bro. C. O. Butler, S.A., one of the 1st Nfld. Regiment, paid a glowing tribute to those with whom he fought side by side, and said we would ever hold sacred their memories.

The parting words good night, the singing of Onward Christian Soldiers, Rule Britannia, and the National Anthem brought this, the first memorial service of Royal Oak Lodge, to a close.

GEO. COOPER,
Secretary.

Road Material

The shale which is being used on the road to the west of Manuels promises to make, once it is properly rolled in, one of the best surfaces of any thoroughfare in the country and many are of opinion that it should be more extensively adopted as road material. It is proof of its properties are required, an examination of Topsail Hill and the corner near Fox Trap will be sufficient. There has been little or no give in these sections for two years and the surface is even and always dry. At Topsail there is an inexhaustible supply of this shale easily accessible. All that is required is the strengthening of the bridge across Topsail river to enable trucks to use it, and this could be effected at a very small cost. We trust that the authorities will give the matter full consideration.
