TO AMEND FACTORY ACT. The Ontario factory inspectors are considering an amendment to the factory and shops act that will pre-vent the employment of young boys 12 years of age in stores and factories. Recently one of the inspectors came across a boy 12 years of age in a Torento factory and he was ordered home. The boy lost no time in securing the work for a stated time. Under the factory act regulations no one can give a child 12 years of age permisand will satisfy you. Price sion to work in a factory, and the amendment to the act will make some provision for the imposition of penalties for infractions that are the result of magisterial and official orders, SUED THE M. C. R.

ployes was heard by Judge Ermatinger at St. Thomas. John Gould, machinist, sued the M. C. R. for wrengful dismissal while employed at the M. C. R. shops, but the judge held that, according to the evidence given, it was the custom in the M. C. R. shops to discharge man without previous notice, and also for employes to leave their positions without giving natice. Mr. Gould was hired by the hour and was Gould was hired by the hour and was discharged, he claimed, because he declined to work under the piecework system. Master Mechanic McCarthy, in his evidence, stated that the company saved about \$14,000 a year in the locomotive construction department alone under the piecework system, the

Jane Corcoran is to appear in "Pretty Peggy" at the Grand tomorrow night. Says the Boston Post: Miss Corcoran was invited to a dinner by Lady — at a magnificent mansion in Kensington, and was treated after the dinner to some rare singing by a celebrated vocalist. On the veranda afterward the hostess brought two young debutantes to our popular young actress and introduced them. "I am sure you will like each other, for they are Americans, too, Miss Cor-coran," said the titled lady, as if that settled the question of their mutual

Miss Corcoran, wishing to be cordial, greeted them pleasantly and remarked, with the intention that the hostess, as well as the girls, should hear her: "Did you not enjoy the beautiful singing in the dining hall? And the coustics were perfect, were they not?" "Yes," said one of the young Americans with enthusiasm, "those acoustics were the best I ever ate."

strel company comes to the Grand tonight. The old time jubilee melodies, such huge successes, and it was the refrains and dances that are ever Hueston's Star and Bon-Ton Liveries feeling of all at last night's meeting popular with the public are used, not only ingeniously from a musical standscenes picturing the South. The staging and costuming are noteworthy features of this production. London should give Primrose a hearty welcome tonight.

> "THE MAID AND THE MUMMY." A notable feature in the production of "The Maid and the Mummy," Rich-ard Carle's and Robert Hood Bowers' sary. It claims to have the oldest elecmerry musical melange is the large trical tramway in Central Europe and well-drilled chorus. This arm of DO NOT DELAY when and well-drilled chorus. This arm of the organization numbers 62, being made up principally of extremely fetching fancies of fair femininity. From a scenic and costumic standpoint "The Maid and the Mummy" is nost elaborately mounted, the lines are extremely bright, the situations most laughable, and the music of the catchy tinkling variety, nowadays so catchy, tinkling variety, nowadays so work a permanent cure.
