DEMAND FOR HAY ON LOCAL MARKET

Fifteen Loads Sold-Oats and Hog Rise in Price.

Hay was brisker on the local market today, there being an offering of fifteen Barcelona loads that sold from \$13 to \$15.50. The Brazilian T.L. and P. ... commodity was much in demand, as there have been few loads offered since last Burt F. N., Com...

Burt F. N., Pref.

There has been a pronounced scarcity this week, and local buyers have found it difficult to meet their demands. Wheat is firm at 85 to 86 cents per bushel.

Butter and eggs are high as the result of the cold snap. Although eggs have been offered in large quantities recently, the demand is keen, and at present there are not enough to supply the trade. Prices will likely be higher in consequence.

Dressed hogs are higher at \$12.50 to Dom. Canners Pref. 9214 Oats are higher today at \$1 to \$1.07. the enough to supply the trade.

Ill likely be higher in consequence.

Dom. Cannets

1. and Steel, Pref.

Other dressed meats are firm.

Live hogs are firm at \$8 50 to \$8 60. Poultry is firm with sales rather slow.

posed extensions to be made by

Another Gas Proposal. The controllers received a letter sent by M J. Kent, of this city, to Frank C. Tomb, representative of the Southern Ontari Gas Company, in make a natural gas offer to the city 103% | direct. "We all want to buy

said Mr. Kent's letter, "and you want to sell it, so there will be no difficulty, in making a bargain. There is no necessity of dealing with tenants when you can deal with the landlords The ratepayers generally will not stand for the middleman having a large rake-off at their expense. The copy of the letter was filed, and Mrs. Ed. Westland in the chair. An adit was remarked that there was every reason to believe that another gas proposition would be forthcoming at

an early date.

Mayor To Give Five O'clock. An application from F. Ross Robertson for a grant for the Sick Children's Hospital, Toronto, was filed, and it was remarked that London had plenty of hospitals of her own to sup-Mayor Graham promised to entertain the controllers at five o'clock tea at Victoria Hospital, so that they might see the good work that was being accomplished in the institution.

Problems For Engineer. The complaint of the residents of Stanley St. between Wharncliffe Road and the river, of the condition of the thoroughfare which was supposed to have been improved, was referred to the city engineer for a eport. The refusal of C. S. Hyman & Co. to pay a bill of \$74.48 for their share of the cleaning of the Mill St. sewer, was also referred to the en-The company claimed that rineer. t derived no benefit from the sewer and therefore should not be charged with any of the expense. The engineer will also report on the refusal of W. F. Boughner to pay a small account for cleaning out a drain on Wolfe street. Mr. Boughner claimed that he had had the work done at his own expense and did not see why he should be compelled to pay twice for the same thing.

To Fix Up Fair Grounds. Secretary A. M. Hunt of the Western Fair Association wrote the controllers asking that something be done to put the grounds in better shape. The matter was laid over for the estimates meet-

Eliminate Paper Boxes. On motion of Controllers J. P. Moore and Hubert Asplant, the board decided to give the management of the Grand Opera House six months' notice of its inuspend the franchise whi allowed the theatre people to place waste paper cans around the streets plastered with advertisements. Controller Moore stocks, there were no fluctuations of concontended that the cans were a nuisance and an eyesore, and that the paper blew was fairly active and the undertone was good. Texas Company continued its out of them continually.

Will Put Loan By-law Through The city clerk reported that the Grobb oan bylaw had secured 66.55 per cent of the votes cast on it in the recent election, instead of the 66.66 required. Controller Coles has given notice that will move at the next council meet ng to have special legislation secured to have the bylaw put through.

Rent Hall To W.C.T.U.

The application of the W.C.T.U. for ssistance following the burning of the union's dining hall at Queen's Park on which the city collected \$900 insurance, was laid over until such time as the estimates are struck. The idea was expressed that the city should build the new dining hall and

rent it to the women. Agree With the Ladies. The controllers agreed with the

spirit of the communication sent into the council the other day by representatives of various women's organizations of the city, asking that more care be taken the selection of shows and other amusements for the coming Old Boys' Reunion than had been shown in the past, and will bear the request in mind when plans for the coming reunion are being gotten under way.

A Little Trip For Ernie. Controller G. E. Rose was appointed to go to Toronto on Saturday to attend a conference of representatives of several municipalities interested in the housing problem, called to discuss the best methods of securing the result aimed at. The invitation to attend was from the Toronto Housing

Assistance For Treasurer. The application of R. Woolatt for a position in the city treasurer's office was filed. The controllers will consult City Treasurer J. S. Bell and determine what help is needed in the office before making the appointment of another assistant.

Sunday Car Agreement.

The mayor, clerk and solicitor were empowered to draw up an agreement with the London Street Railway Company, covering the operation of Sunday cars. The agree ent, if satisfactory to the company, will be put through at the council meeting on Monday night and the service will be given, in that event, for the first

time, on Sunday, January 25. Under the proposed agreement, the company is to run its cars from eight clock in the morning to ten-thirty ter these offerings were absorbed, pirces at night in the winter and until eleven moved upwards again but subsequently in the summer. Controller W. G. Coles wanted the service given earlier in the morning

reaction, basing their position largely on to accommodate the Roman Catholic bearish rumors, which apparently had no population attending early mass. Pavement to Hospital. The engineer was instructed to get estimates on a new pavement on Wat-

erioo street from the G. T. R. tracks to Victoria Hospital, the doctors of the

city having petitioned for the same. Pavement Complained Of. A complaint was received of the conditios of the pavement at the corner of

Ridout street and Grand avenue. The engineer will investigate.

Mrs.

To Go to Toronto. The mayor and solicitor were in-structed to attend a sitting of the Dominion Railway Commission in Toront to protest against the city being charged with any portion of the expesse for the pritection of the G. T. R. crossing at William street.
