DYSENTERY, CHOLERA, FEVER, AGUE, &C CHLORODYNE.

DR. J. COLLIS BROWNE'S CHLORODYNE.
Vice-Chancellor Sir W. Page Wood stated publicly in
court that Dr J. Collis Browne was undoubtedly the Inventor of Chlorodyne; that the whole story of the defendant Freeman was deliberately untrue, and he regretted to say it had been worn to. See the TIMES,
July 13th, 1864.

Dr J. Collis Browne's Chlorodyne—The Right Hon Earl Russell communicated to the College of Physic-ians and JT Davenport, that he had received information to the effect that the only remedy of any service for Chol-era was Chlorodyne. See Langer, Dec. 31, 1864.

Dr J. Collis Browne's Chlorodyne—Extract from MEDICAL TIMES, Jan 12th, 1866—Is prescribed by scores of orthodox medical practioners. Of course it would not be thus singularly popular did it not supply a want and fill a place?

Dr J. Collis Browne's Chlorodyne is the best and most certain remedy in Coughs, Colds, Asthma, Con-sumption, Neuralgia, Rheumatism, &c.

Dr J. Collis Browne's Chlorodyne is a certain cure in Cholera, Dysentery, Diarrhosa, Colics, &c.

Dr. J. Collis Browne's Chlorodyne—Extract from the General Board of Health, London, as to its efficacy in Cholera—So strongly are we convinced of the immense value of this remedy, that we cannot too foreibly urge the necessity of adopting it in all cases. From A. Montgomery, Eq., late Inspector of Hospitals, Bombay—(Chlorodyne is a most valuable remedy in Neuralgia, Asthma and Dysentery.
