New Brunswick, with the finest imaginable time to secure it. At a time when the various species of produce vie with each other in quality and quantity, it would be impossible to single out any in particular, as exceeding the rest; but we have heard that the buckwheat crop alone, will yield more bread in the country this year, than all the others, taken together have done in any year since 1845.

☞ Subscribers in arrear, will oblige us by paying our Collector. We want a great many things besides Printing Paper: and we must have something more substantial than *promises* to live upon.

NOVA SCOTIA.—We are sorry to perceive that Asiatic Cholera has made its appearance in our sister Province, the Halifax papers report two cases, which occurred in Annapolis servants of Judge Ritchie, which proved fatal. Considerable uneasiness is felt in the capital in consequence.

The papers also report that the Potatoes on the Peninsula had been struck with the rot, which was rapidly spreading.
