(Outlook please copy.) Fund for N. S. Hospital Library.

Last year an appeal was made through the Halifax newspapers for books to equip the Patients' Library, N. S. Hospital, Dartmouth. While there has been a liberal response there there has been a liberal response there is still need of more.

Meny persons are at a loss to know what books to select, suited to the requirements of the patuents. It has been suggested an appeal be made for money to otviate this difficulty.

If each person who reads this letter would give 25c. towards this most worthy object, and forward it to the medual superintendent, Dr. W. H. Hattie, a sufficient sum could soon be raised. I am sure every one who is touched by the condition of these isolated and afflicted people will show kindness, sympathy and generosity to the extent of giving this small sum.

I terward my "mite" to-day as a beginning of the fund, trusting, like the small cloud seen by the prophet of old, it will assume gigantic proportions.

Very faithfully yours,

He deposited the bill in the bank and it was returned to him as a coun-table.
