I.

The CHURCH MISSIONARY INTELLIGENCER

(Price Sixpence.)

This periodical deals with the philosophy of Missions, the principles which govern the work being illustrated by the results which are ever presenting themselves in new and interesting forms over the surface of the field.

II.

The CHURCH MISSIONARY RECORD.

NEW SERIES. *(Price One Penny.)*

The RECORD, in its new form, has been improved and enlarged, and contains, besides "Gleanings" from the Missions, letters from the Missionaries themselves, giving an account of their work in their own words; also Recent Intelligence from the Missions, Selections from the Proceedings of the Committee and other articles of a more general interest relating to Missionary work.
