The flyer, to Canada flew; The buyer, on codit he bew; The doer, he did; The suer, he sid; And the liar (a fisherman) lew.

The writer, this nonsense he wrote; The fighter (an editor) fote; The swimmer. he swam; The skimmer, he skam; And the biter was hungry and bote. -Woman,

Newspapers in 1888.

From the edition of Geo. P. Rowell & Co's "American Newspaper Directory," published April 2nd (its twentieth year), it appears that the Newspapers and Periodicals of all kinds issued in the United States and Canada, now number 16,310, showing a gain of 890 during

the last 12 months and of 7,136 in 10 years.

The publishers of the Directory assert that the impression that when the proprietor of a newspaper undertakes to state what has been his exact circulation, he does not generally tell the truth, is an erron ous one: and they conspicuously offer a reward of \$100 for every instance in their book for this year, where it can be shown that the detailed report received from a publisher was untrue.

NOTICE.

Owing to change of residence, members of the Order will be good enough to address communications and remittances for my office to 347 McLaren Street, Ottawa, instead of 480 Lewis Street as formerly.
