The space is almost exhausted, and yet there is much more to be said. If it is brief; it is none the less important on that account.

With the boys and girls *THE KING'S OWN* is a great favorite. They have learned to look for at least six things in it:—a good story, a travel article, the Letter Bag, the Puzzle Corner, often a missionary article, and always the brightest pictures. We are carefully studying what the boys and girls want; and they may expect to find it in *THE KING'S OWN*.

THE KING'S OWN, every week, 25c. a year, 5 or more, one address; 40c. single copies.

JEWELS, as we find, is a perennial favorite. Every year there is a new crop of readers coming on, and our Editors are ready for them. If you could just see the pretty things that are on our shelves for *JEWELS* for 1906!

JEWELS, 20c. a year, 5 or more to one address; 30c. single copies.

LE RAYON DE SOLEIL is the French Illustrated Paper. Some classes in the English-speaking schools may want it. It will help the scholars to learn French.
