#### NICKELITE SILVER.

Spoons and Forks made of this metal are now beforethe public for almost twentyyears, and have never failed to give satisfaction. Goods said to be "quite as good" have often been offered instead of the genuine "Nickelite." These may e failed to wear, but such are not Niceither spoons or forks are stamped "Nickelite. Buyers should always see that either spoons or forks are stamped "Nickelite—R. W. & Co." All such are guaranteed to give perfect satisfaction, no matter by whom sold. ONE HUNDRED DOLLARS reward will be paid to any one who will convict any party of the fraudulent use of the above stamps. This season we have succeeded in making further improvements, both in the hard ness of the metal and in the finish; therefore for COLOUR, BEAUTY, and DURABILITY the goods are unequal led in the world. For general use among our people nothing suits so well as articles that are of one metal throughout. Nothing can wear off; simple cleaning makes them always new. The price, too, makes them always new. The price, too, is within the reach of all. To get an article to be depended on, ask for NIC-KELITE Spoons and Forks, and take no other. Dealers supplied by application of the General Agent for the Sheffeld House. field House.

ANCERS CURED.

Don Mount, October 2nd, 1875.

Don Mount, October 2nd, 1875.

O. C. Wood, Esq., M.D.

Dear Doctor, —You enquired after my health and views relative to your treatment of the cander or cancerous affection in my lip—now just eleven years ago—in reference to which I have to express my gratitude to an overruling Providence that I was led to an acquaintance with you, and became a subject of treatment by you. My lip had been sore at least seven years (r) years, exceedingly painful, and for two or three years before you took it in hand, almost unendurable. All sorts of experiments had been submitted to by me, embracing caustics, excoriation—everything indeed but the surgical kuite—and in vain; for it always returned, and worse than before. Your treatment effected a speedy, complete and permanent cure. The cancerous humour se ms thoroughly expurgated from my blood. I have now for a long time used nothing antagonist cas at first, nor any stimulant or tonic to keep up my system; and yet my health is perfect, and, at the age of sixty-six, I am laboring with a vigor equal, if not superior, to any other part of my laborious life. You are at liberty, to make any use of this you may judge proper. Yours gratefully, John Carroll, Methodist Minister.
