North Carolina Hickory Picker Sticks.

Illustrated Catalogue sent on application.

## 'Cyclone' Fans

are marvels of efficiency

They ought to be ; it took us fifteen years to produce a design that gave universal satisfaction. Our New Catalogue B is free for the asking, and is a veritable encyclopædia on drying and ventilating.

Our "Cyclone" Dryers (for all materials), Carbonizers, Yarn Scourers, Willows, and "Proctor" Garnetts have reputations that are worth something, too.
