

GOLDLINE JEWELLERY
 Has become more widely used until now it is ready sale in all previous gold, is that it richly finished, and has a surface equal to 16 carat gold. No merely "gilt brass" will answer these conditions. It is now supplied in Vest Chains, Grand Chains, Leontines, Necklets, Bracelets, Suits, Bracelets, Ear-rings, Sleeve Buttons, Studs, Lockets, Pencils, Rings, &c. All Chains are stamped "Goldline" on the bar, and other articles are stamped on the cards in red letters. Purchasers must notice this to prevent being imposed on by cheap, gilt imitations. For morning wear, for travelling, for watering places, there is nothing to equal the Goldline Chains and Jewellery. Ladies are wise to use it, and save their diamonds and coloured gold. To be had of all dealers.

CERTIFICATE FROM MR. ALFRED KNUCKLE, American House, St. Joseph Street.—
 MONTREAL, March 7th, 1872.
 DEAR SIR,—I was afflicted during the beginning of this winter with a most severe COLD, attended with incessant COUGHING and DIFFICULTY OF BREATHING, which reduced me so low that many persons supposed I could never recover. I tried a great many things, which were given me both by my doctors and friends; but did not receive any benefit from anything until I commenced using your "HOARHOUD AND CHERRY BALSAM," which seemed to give me relief immediately. I continued using it until I was completely cured, and now I believe I am as well as I ever was in my life. I would gladly recommend it to any person suffering from a similar complaint. Almost anybody who knows me can certify to the above. ALFRED KNUCKLE.
