DON'T BE AN INDIAN!

Indians always trod exactly in their predecessors' footsteps. That made their trail a well-worn rut.

Don't travel in an insurance rut. Don't use the same methods, the same arguments, or sell the same sort of policies as your predecessors and your competitors.

GET OUT OF YOUR RUT!

Ally yourself with the Maryland, which does things differently — and better.

Our new Equity-Value Policy, for example, is unlike any other policy, and superior to all of them. It is decidedly "out of the rut." It pays more for the everyday accidents that happen oftenest, and doesn't "feature" so-called points that only one policyholder out of 800 can hope to benefit by.

It appeals to the average man because it fits his needs. It is backed by our national advertising, reaching millions of people monthly. This combination spells success to the agent in your town who is alive to the opportunity. Are you the man? Write today—mention this paper.
