

Le présent document est le résultat de la collaboration de l'Organisation des Nations Unies pour l'éducation, la science et la culture et du Gouvernement du Canada.

Country is 17 April 1976
1976

1976 (1976)

1. The purpose of this document is to provide information on the activities of the Organization of the United Nations for Education, Science and Culture in the field of education.

2. The document is organized into two main parts: a general introduction and a detailed description of the various activities.

3. The general introduction provides an overview of the Organization's role in the field of education and its relationship with other international organizations.

4. The detailed description of the various activities is divided into several sections, each dealing with a specific area of work.

5. The first section deals with the Organization's work in the field of basic education, including primary and secondary education.

6. The second section deals with the Organization's work in the field of technical education and vocational training.

7. The third section deals with the Organization's work in the field of higher education and research.

8. The fourth section deals with the Organization's work in the field of adult education and non-formal education.

9. The fifth section deals with the Organization's work in the field of education for all and the goal of universal primary education.

10. The sixth section deals with the Organization's work in the field of education and development.

11. The seventh section deals with the Organization's work in the field of education and culture.

12. The eighth section deals with the Organization's work in the field of education and science.

13. The ninth section deals with the Organization's work in the field of education and communication.

14. The tenth section deals with the Organization's work in the field of education and information.

15. The eleventh section deals with the Organization's work in the field of education and statistics.

16. The twelfth section deals with the Organization's work in the field of education and research.

17. The thirteenth section deals with the Organization's work in the field of education and development.

18. The fourteenth section deals with the Organization's work in the field of education and culture.

19. The fifteenth section deals with the Organization's work in the field of education and science.

20. The sixteenth section deals with the Organization's work in the field of education and communication.

21. The seventeenth section deals with the Organization's work in the field of education and information.

22. The eighteenth section deals with the Organization's work in the field of education and statistics.

23. The nineteenth section deals with the Organization's work in the field of education and research.

24. The twentieth section deals with the Organization's work in the field of education and development.
