Dear Sir:

Mr. Secretary,
I give my great appreciation to your message regarding the work of the Commission and to the fact that it has been possible to have more than one of the other countries with the Commission's help with its activities. I believe that the Commission's work is of great importance to the economic development of the countries in the area. The various technical assistance programmes which have been developed within the United Nations system have been of great importance in the economic development of the countries in the area. Over the years several thousand experts have served in various capacities in the area of the United Nations and the Commission's work has been of great importance to the countries in the area. The Commission's work has been of great importance to the countries in the area and it will continue to be of great importance to the countries in the area. The Commission's work has been of great importance to the countries in the area and it will continue to be of great importance to the countries in the area. The Commission's work has been of great importance to the countries in the area and it will continue to be of great importance to the countries in the area.
