

*Supply—Agriculture*

**Mr. Charlton:** It is a gentleman's agreement, of course, between the two governments. You have to have the consent of this government to bring in cheese. The minister said cheese was under the support act. Here we have the support act report, and there was a total of \$155,000 spent in support of cheese. I suggest that now the minister has hardly anything to do with any floor that might be under cheese. It is the Ontario government.

**Mr. Gardiner:** You go and suggest to the cheese board that we take it off and see what they say to you.

**Mr. Charlton:** I suggest that if any credit is due to anyone for cheese prices it is due to

the Ontario cheese board in co-operation with the Ontario government, and not this federal government.

**Mr. Argue:** Ten o'clock.

Progress reported.

Resolutions adopted in committee of supply this day reported and concurred in.

**BUSINESS OF THE HOUSE**

**Mr. Harris:** Mr. Speaker, as indicated on Friday night, tomorrow we shall resume the budget debate.

At ten o'clock the house adjourned, without question put, pursuant to standing order.
