4.—A vacancy in the representation of the graduates may be filled at the time appointed for the next ensuing election of Fellows in pursuance of clauses (6) or (7) of section 1, but only for the unexpired residue of the term of the previous holder of the seat vacated; provided, however, that if any period of more than two months shall intervene between the occurrence of such a vacancy and such ensuing election, the remaining Graduates' Representative Fellows may elect a duly qualified graduate to fill the vacancy for such intervening period; and a meeting for such purpose shall be called by the Principal or the Registrar, by posting in the Montreal Post Office, at least one week before the date fixed therefor, a notice thereof, addressed to each of such Graduates' Representative Fellows.

5.—Except in the case of filling a vacancy (which shall be reported to Corporation at its next meeting), all appointments and elections of Fellows, other than representatives of the graduates, shall be reported to Corporation at its regular meeting in the month of April previous to the commencement of their term of office.

6.—To assist graduates in the choice of Representative Fellows the names of at least two qualified candidates for each office of Representative Fellow to be filled under clauses (6) and (7) of section 1, in addition to that of the retiring Fellow, shall be placed on the ballot paper sent out, as prescribed by section 7. These candidates shall be nominated by a Committee consisting of five members, to be chosen in the manner described in section 8. This Nominating Committee shall meet at the call of the Registrar of the University, each year, not later than the first day of January following their election, for such organization as they may deem desirable, and not later than the 15th day of February following, the Committee shall send to the Registrar the names of the candidates whom they have decided to nominate.

In addition to the persons so nominated, any ten or more graduates qualified to vote in the election of Representa-
