

McCord National Museum

(Form Letter No. I)

SUGGESTED FORM LETTER FOR REFUSAL OF MATERIAL

The McCord Museum Committee, at its recent meeting, after careful consideration decided with regret that it could not accept your offer of the undernoted material as it hardly comes within the limited scope to which the Committee has been obliged for the present to confine itself, owing to the restricted space at the disposal of the Museum.

Thanking you on behalf of the Committee for your consideration in offering this material,

I am,

Faithfully yours,

Assistant Curator.
