

For the usual branches of the curriculum, as well as for the subjects just mentioned, the Board undertakes to provide a strong and efficient staff, having regard at the same time to such arrangements as may be agreed upon with the view of safeguarding the interests of the regular members of the present staff of the McGill Normal and Model Schools; tuition to be free to qualified candidates undertaking to teach in the Province of Quebec and the charge for ordinary living expenses to be on the lowest possible scale. The Training Department will endeavour to meet the needs of our cities and towns as well as of our rural districts, having due regard to the standards now required of teachers-in-training. And while special facilities will be provided for nature study, household science and manual training, care will be taken to ensure that this work shall not interfere with the liberal studies in the course of training hitherto followed. Moreover, careful provision will be made for practice in teaching for all candidates.

All the appointments to the staff of Macdonald College, including by consent of the Provincial Government the Normal Training Department are to be "made by the Board of Governors, acting in consultation with the Principal of the College."

Having regard to the fact that the Committee to be placed in charge of the training of teachers is to be an administrative body which is to do all its work, so far as the training of Quebec teachers is concerned, under the regulations of the Protestant Committee of the Council of Public Instruction, and that it is to take up "the duties hitherto discharged by the Normal School Committee, (consisting of five persons appointed by the Corporation of McGill University) which has by government regulation been charged till now with the direction and superintendence of the Normal School, (see Regulations of Protestant Committee, articles 32-34) The Board of Governors resolves that the Normal Training Committee of Macdonald College at Ste. Anne de Bellevue shall
