Dean, Faculty of Dentistry,

Dear Dr. Thornton,

The Officer Commanding this Unit  
has reported to the Military Committee how your Office  
assisted him at the close of <sup>last</sup> the Session, by inter-  
viewing those students who had delayed in the return  
of their Uniform and Equipment.

On behalf of the Military Committee,  
I wish to thank you for this service.

Yours faithfully,

Principal.
