THIRD DAY.

PRESENTING MEMORIALS, &c.

The Clerical Secretary read the following Memorials :

To the House of Clerical and Lay Delegates in Provincial Synod assembled :

The Memorial of the Bishop, Clergy and Laity of the Diocese of Toronto, in Synod assembled, humbly sheweth :

That your memorialists, deeply grieved at the innovations in Ritual that are prevailing in some Churches in the Mother Country, and justly alarmed lest these innovations should extend to the Church in this Province, have had under their consideration during their present session the best and most effectual manner of dealing with this growing evil ; and doubtful of their own power, as a Diocesan Synod, effectually to check the introduction of those extreme practices, they have resolved to invoke the aid of the Provincial Synod to assist them in preserving the pure and simple service and worship in our Churches, that have had the sanction of the Church for three hundred years ; and with that view they pray that the Provincial Synod shall adopt such measures as will guard against such innovations which have been condemned by the Convocations of Canterbury and York, namely, the wearing of the chasuble, alb, cope and tunicle, altar-lights, incense, the use of wafer bread, the elevation of the elements after consecration, and the encouragement of non-communicants to remain during the celebration of the Holy Communion.

And your memorialists will ever pray.

(Signed,)

J. HILLYARD CAMERON,
Chairman.
