

Employees LIKE **DENNISTEEL** *Made in Canada* Wardrobe Lockers

THEY FIND that hanging clothes, stowing away lunches, etc., is much safer, more sanitary and altogether nicer than otherwise, when each has his or her own private locking compartment.

DENNISTEEL Lockers represent a good investment from another angle. They save time, space and money, are FIREPROOF, indestructible, of handsome appearance and high quality. Slightly higher in first cost than others—lower in actuality. Let us send illustrated folders.

Why the Mutual is so Popular

The Mutual Life of Canada placed upon its books in the first five months of 1919 100% more business than in the corresponding months of 1918. The wonderful war record of the Mutual Life and the prompt payment of the many unexpected claims during the recent epidemic—these have proved the value of the institution.

The Mutual, moreover, is in a peculiar sense a people's company, being in its control democratic, in its economy strictly co-operative. This means that the system is in line with the "spirit of the age" and so the people naturally turn to the Mutual.
