**WANTS HUNTLEY LODGE  
 ASSESSMENT CUT**  
**Decision Reserved by Court on J.  
 J. Palmer's Appeal.**

A number of residents in the vicin-  
 ofy of Lawton avenue appeared before  
 the court of revision yesterday asking  
 for a reduction in their assessments.  
 The most important aspect of the  
 case was the assessment of the  
 Huntley Lodge, owned by J. J. Palmer  
 of the Toronto Type Foundry Co. and  
 owner of Huntley Lodge, 147  
 Rogers street. The assessment of  
 this property had been raised from  
 \$2,000 to \$3,000. The residents  
 claimed that the district had been  
 assessed for residential purposes on  
 account of the drawing of coal from  
 the Rogers yard. The assessment  
 was assessed at \$15,000 per acre and  
 the residence is valued at \$21,000.  
 The total assessment being \$81,150.  
 Decision was reserved.

Magistrate Kingsford appealed  
 against the assessment of his land at  
 1418 St. George street. It was  
 assessed at \$185 per foot and he  
 thought it should be \$100. No decision  
 given.

**INCREASE EFFICIENCY IN  
 MEDICAL DEPARTMENT**  
**Board of Education Has Some  
 Changes Proposed, Says Dr.  
 Mackay.**

When asked if it was intended to cut  
 down the number of doctors in the  
 medical department of the board of  
 education and increase the number  
 of nurses, Dr. Mackay, chief school  
 medical officer, stated yesterday that  
 there would be some changes made with  
 a view to increasing the efficiency of  
 the department. The doctor believed  
 the opinion prevailed that if the  
 cases were inspected by nurses in the  
 morning there was no need of a  
 further inspection by the doctors, as  
 the cases were inspected by nurses  
 in the afternoon. He will bring  
 a report before the school trustees.  
 Regarding the proposal to have the  
 doctors work all day instead of half  
 day, the doctor stated that he did not  
 think anything of it. "It has all been  
 thrashed out and everything is  
 against it."

Asked regarding the pay of the  
 school doctors, the medical officer said  
 they were paid as well as in American  
 cities, and in some cases more.

 of garbage collection. The regula-  
 tion which has been drawn up pro-  
 vides that every household shall  
 have two metal receptacles, one for  
 garbage and one for kitchen garbage,  
 and these will have to be placed be-  
 hind the street line, and in cases  
 where there is a fence the gate will  
 have to be left open on garbage col-  
 lection days. No garbage cans must be  
 shown from the street.

**COMPENSATION IS  
 UNDER CRITICISM**  
**Delegate to Telephone Con-  
 vention Thinks Asses-  
 sment is Too High.**

Yesterday's session brought to a  
 close the tenth annual convention of  
 the Canadian Independent Telephone  
 Association, which has been meeting  
 at the city hall for the past two days.  
 In a paper entitled "The Work-  
 men's Compensation Act and Tele-  
 phone Companies," P. R. Craven, of  
 the Timiskaming Telephone Com-  
 pany, took objection to the act on the  
 ground that the assessment against  
 telephone companies should not be  
 as high as against electrical com-  
 panies who men had to work on high  
 tension wires. He maintained that  
 telephone lines are not as dangerous  
 as high tension wires did. He thought  
 that telephone companies should be  
 placed in a class by themselves,  
 and the association endorsed  
 a resolution to the effect that applica-  
 tion be made for an amendment to  
 the act. Mr. Craven pointed out that  
 the Bell Telephone Company escaped  
 the assessment as they operated  
 under a franchise charter.

**UNIVERSAL SERVICE  
 President Denholm Contends  
 Large Company Should  
 Furnish It.**

Andrew Denholm, the president  
 of the "Universal Service from the  
 Independent Standpoint." He de-  
 clared that it should be just as easy  
 to get a telephone message across  
 Canada having it transferred from  
 one company to another, as it was to  
 have a barrel of apples shipped over  
 various railroads.

Is there any reason why a com-  
 pany that gets the free use of our  
 roads should object to whom they  
 should be concluded for an amendment  
 to the act. Mr. Craven pointed out that  
 the Bell Telephone Company escaped  
 the assessment as they operated  
 under a franchise charter.

**THREE MINUTE SERVICE**  
**Four Motors Would Be Re-  
 quired, But Spence Has  
 Other Objections.**

Motor buses operated by Toronto  
 filling the gap in the transportation on  
 Yonge street, Price street to Farnham  
 avenue, maintaining a three-minute  
 service, carrying passengers free of  
 charge, at an original outlay by the  
 city of \$25,000, was the proposition  
 with which Mayor Church presented  
 members of the board of control yester-  
 day.

Action was deferred pending more  
 information as to costs, which Com-  
 missioner Harris will supply.

"I'd like to make a demonstration  
 to show the citizens the principle of  
 such a service. It could be tried out  
 here and if successful put in opera-  
 tion in other districts," said Mayor  
 Church.

Would Need Four.  
 Commissioner Harris pointed out  
 that four buses would be required to  
 keep three in operation. Each bus  
 cost about \$8,000. Asked re-  
 garding the amount of fare, the mayor  
 said that under existing circumstances  
 regarding Yonge street no fare would  
 be charged.

Controller Foster: "Why a three-  
 minute service with the buses when  
 the Metropolitan line only gave a five-  
 minute service."  
 The first real stumbling block came,  
 however, when Controller Spence ex-  
 plained that if the plan were adopted  
 it would have the same effect in re-  
 gard to the franchise question, as the  
 Toronto Street Railway Company had  
 been allowed to run cars up to the  
 present terminal of the Metropolitan  
 line. "It means giving the Metropolitan  
 a new franchise," he said. "It  
 means the same thing. You would be  
 cutting the ground from under your  
 feet. Mr. Mayor, it would mean that  
 you have surrendered to the railway.  
 We are backing you in the fight  
 against the Metropolitan. We have  
 done so all the time and now you want  
 to surrender. I think you should have  
 our eyes wide open."

Mayor Church: "There is a good  
 deal in that; at the same time we  
 should consider the motor problem."

Want More Details.  
 Controller Thompson: "All right,  
 but we ought to know the entire cost  
 if we are going to recommend this  
 to the council we must have some de-  
 tails."  
 Answering a question by Controller  
 Thompson the mayor said: "I was  
 prepared to pave the streets and lay  
 two tracks when the matter was be-  
 fore the legislature, but a peaceable  
 settlement is out of the question now.  
 I would recommend that we get a re-  
 port on this scheme regarding costs  
 and so forth."

Controller Spence: "If it is to be free  
 on Yonge street will it be free on  
 Bathurst?"

Controller Foster: "Yes."  
 In urging a report from Commis-  
 sioner Harris, Controller Spence said  
 that other reports would be needed.  
 The question of the franchise was  
 the question which must be considered.  
 The whole matter was left over for the  
 reports.

Did Not Approve.  
 In discussing the report of the  
 works committee, it was decided to  
 add to the cold storage plant, an  
 asphalt pavement be laid on  
 Monarch road from the West-  
 on road to the south end. It was the  
 opinion of the board that the Campbell  
 Milling Company, who would be served  
 by the road, should attend to it.  
 The question of a granite pavement  
 on Yonge street from Summerville  
 to a point 187 feet south of Farnham  
 avenue did not meet with approval.  
 Controller Foster thought it was a  
 matter to be dealt with by the new  
 council next year.

Controller Spence: "If we win in  
 the case before the privy council we  
 will lay tracks there and in the mean-  
 time we must figure that way."  
 Controller Thompson could not see  
 the necessity of going on with it just  
 now, so the clause was struck out.

A proposal to build a shelter and  
 lavatory for passengers using the  
 Mimico division of the Toronto and  
 York Railway Company was held over  
 until next year.

The erection of a barn at the Men's  
 Industrial Farm was approved by the  
 property committee. Yesterday the  
 controllers disapproved sufficiently to  
 refer the matter back.

Discussion on the advisability of  
 adding to the cold storage plant,  
 the civic abattoir at a cost of \$9500  
 was short and pointed. Commis-  
 sioner Chisholm pointed out the necessity  
 of it and Controller Foster pointed to  
 the amount of business being done.  
 The commissioner carried his point,  
 however, and will now make it a  
 point to have the addition installed.

A request brought by Ald. H. H.  
 Ball for the use of one of the city's  
 houses on Duplex avenue for the  
 North Toronto Patriotic and Red  
 Cross Society received favorable  
 comment. In all probability it will  
 be granted.

A recommendation that the city  
 ask for legislation giving it power to  
 dispossess the park or portion thereof  
 was criticized. The decision was that  
 during the present lull in the demand  
 for the park it is not the proper  
 time to deal with the question.

**DETAILS OF CIVIC  
 DEBT COMING MONDAY**

At a meeting of the civic treasury  
 board yesterday afternoon a report was  
 presented to council on Monday  
 detailing the status of the civic debt,  
 including the city's share of local im-  
 provements, the condition of the sink-  
 ing fund, and what temporary loans  
 had been secured. At the conclusion  
 of the meeting Mayor Church stated  
 that the city's borrowing power was  
 still ample for all present needs.

**ASK FOR GRANT TO  
 HELP RECRUITING**  
**Citizens' League Presents Case  
 to Controllers—Mayor  
 Favors Gift.**

Various figures ranging from \$40,000  
 down to \$5,000 were mentioned by  
 members of a delegation from the Cit-  
 izens' Recruiting League who waited  
 upon the board of control yesterday  
 to urge a grant from the city. Dr.  
 Norman Allen, chairman of the league,  
 reviewed the work being done in Tor-  
 onto and was supported by Mayor  
 Le Grand Reed. Oliver Hezlewood,  
 F. B. Fetherstonhaugh and others.

Mayor Reed stated that he had ex-  
 pended a considerable amount, about  
 \$4,000, in addition to the government  
 allowance. Mayor Church character-  
 ized the efforts of the league as being  
 those of the city and as being  
 full support should be extended.  
 "Major Reed has spent a great deal  
 out of his own pocket," he said, "in  
 doing a good work."  
 Oliver Hezlewood made it plain  
 that the proposal to give the \$5,000  
 from the city to Major Reed was in  
 harmony with all concerned. Dr.  
 Allen intimated that, according to a  
 conversation with Controller Thomp-  
 son the city should give dollar for  
 dollar and in view of the fact that the  
 league had secured \$40,000 the city  
 should give that much. However, he  
 did not hold to that conversation.

Mr. Fetherstonhaugh thought \$10,-  
 000 would not be a bad thing.

Must Get More Men.  
 "We must raise five more bat-  
 talions," said Major Reed, "and it is  
 harder to get recruits now than it was  
 a while ago. But we must get them.  
 We must expand. If we are going to  
 do that it means extra pay for the  
 men. So far as I'm concerned, I'm going  
 to help Major Reed get the money,"  
 said the mayor. "It's a strong argu-  
 ment, but this money is needed. We  
 have given \$15,000, but \$25,000 is not  
 too much for war work."  
 The departed with the assurance  
 that the matter would re-  
 ceive early attention.

Khaki Day Results \$35,002.  
 Slightly over \$35,000 was raised  
 Khaki Day, according to an announce-  
 ment made at a meeting of the Cit-  
 izens' Recruiting League, held in the  
 council chambers. Contributions from  
 the provincial government, city coun-  
 cil, some banks and other institutions  
 are yet to come. The statement was  
 received with considerable enthusiasm.  
 "God bless the ladies," said Mr.  
 Fetherstonhaugh. "A vote of thanks  
 was passed to Sir Edmund Walker for  
 acting as treasurer and to all others  
 who in any and all ways had con-  
 tributed to being tagged."

A committee was appointed to con-  
 sider the disposal of the money  
 secured. Its members are: Mayor  
 Church, Dr. Allen, Oliver Hezlewood,  
 J. Fetherstonhaugh, R. D. Fairbairn,  
 F. Anderson, J. E. Bone and S. W.  
 Burns. The mayor is chairman.

Previous to this meeting, Major Le  
 Grand Reed asked the council to give  
 him \$25,000 of the funds collected on  
 Khaki Day it was decided, however,  
 not to pay out any money until an  
 investigation of the matter had  
 been made. A delegation will go  
 to Hamilton to meet the recruiting of-  
 ficers there, as well as to  
 interfere with the hydro on the lines  
 of force or creed.

William Crawford yesterday headed  
 a delegation from the County Orange  
 Lodge that waited on the Hydro  
 Hydro-Electric Commission protesting  
 against the statements supposed to  
 have been made by General Manager  
 Couzens, to the effect that the Orange  
 Order had interfered with the hydro  
 in an effort to build some of its  
 French-Canadian employees discon-  
 tinue. The matter was revived several  
 days ago when two declarations were  
 made out in which it was charged  
 Couzens had expressed surprise be-  
 cause an employe named Lavoie went  
 on strike and stated that he had pro-  
 tected Lavoie from the Orange Lodge.  
 William Lee, one of the delegation,  
 declared that the association could  
 not be held responsible for the actions  
 of individual members, and that the  
 county lodge had never attempted to  
 interfere with the hydro on the lines  
 of force or creed.

**NON-RESIDENTS  
 MUST PAY TAX**  
**Management Committee of  
 Board of Education Reaches  
 Decision.**

Sixteen Thousand Dollars to  
 Be Raised as Result of  
 Action.

At yesterday's meeting of the manage-  
 ment committee of the board of  
 education it was decided to tax all  
 pupils attending city high schools who  
 are non-residents of the city and do  
 not pay taxes. In this connection, G.  
 A. Smith, senior principal of city  
 high schools, reported that the net  
 cost of operating Parkdale Collegiate  
 for the year 1915 was \$87,781.75, and  
 that during the year 620 pupils attend-  
 ed, making the cost per pupil \$72.80.  
 He also reported that there are 254  
 non-resident pupils attending the high  
 schools and colleges of the city  
 and only 51 of these are paying taxes  
 to the city. The number is divided  
 amongst the different schools as fol-  
 lows: Jarvis Collegiate, 2; Parkdale  
 50; Oakwood, 32; Riverside, 15; North  
 Toronto, 31; Malvern avenue, 51; Hurm-  
 burton High School, 32.

It is estimated that the pupils who  
 are not taxpayers represent a yearly  
 loss to the city of about \$16,000. The  
 committee decided to recommend that  
 the county authorities be notified that  
 this condition of affairs could not con-  
 tinue, and that the city take action in  
 the courts to compel non-residents to  
 pay their proportion of the expense.

Trustee Houston's motion that in  
 every public school in which there is a  
 junior first grade a kindergarten-  
 primary grade be substituted was sent  
 on to the chief inspector for his con-  
 sideration.

On motion of Trustee Brown, the  
 board will be asked to consider the  
 advisability of providing increased  
 school accommodation in the northern  
 part of wards three and four.

Speaking in regard to the restric-  
 tions governing the giving of home  
 work to pupils, Trustee Houston gave  
 it as his opinion that the only way to  
 ensure good spelling was to have the  
 pupils copy continuous text. "The  
 writing of lists of isolated words is of  
 no practical value," he declared.

A recommendation from Dr. Alex.  
 Mackay, chief medical examiner, that  
 Dr. D. M. Kilgour, a school medical  
 officer, be given leave of absence to  
 go overseas with the Army Medical  
 Corps was unanimously endorsed.
