

 The Publisher regrets that the Artist who was to have executed the view of the CITY OF OTTAWA, for this Almanack, has disappointed him. The omission will be supplied by views of Nova Scotia Scenery, and other Engravings remaining from previous years.

J R H

BELCHER'S MAP OF NOVA SCOTIA.

SECOND EDITION.

This is the largest Map published in the Province. It has been revised and corrected since its first publication, and can be had mounted on cloth and rollers, coloured and varnished ; on cloth, coloured, in a case, for the pocket, for travelling ; and on blue paper, same as a chart.
