Bell Pianos

Are made to stand criticism.

PROF. J. B. LABELLE, Organist Notre Dame
Cathedral, Montreal, says:

"I received the magnificent piano of the Bell Co.
which I ordered for my own personal use. I had been
expecting a first class instrument, but the piano, which
is a veritable jewel, surpasses all my hopes. It possesses
a splendid quality of sound, rich, pure and melodious,
with great evenness of the scale. The action is rapid,
with great elasticity. I declare it an honor to Canada
to possess a manufactory able to send out pianos like
those of the Bell Co., which are unquestionably the best
pianos made in Canada."

MADE AND GUARANTEED BY THE LARGEST
MAKERS OF PIANOS IN CANADA.
