GREAT ART DISPLAY STRIKING FEATURE STOREKEEPER NEEDS OF THE EXHIBITION

Manager Orr Has Secured the Masterpieces of Some of the Greatest English and American Artists for the Gallery at the Toronto Fair.

For five years or more an outstanding feature of the Canadian National "I recommend 'Fruit-a-tives' on every Exhibition has been its exhibition of possible occasion and would say that if lean pictures by the great painters every general storekeeper, who stocks living and dead. It is a feature which medicine, would keep 'Fruit-a-tives' no other annual exhibition on this conprominently displayed, he would in- tinent offers to visitors. At some other

ronto's great institution in industrial displays and special features. but all other exhibitions are devoid of this great educational feature.

Lacking as yet a fine public gallery. Toronto, during the two weeks of the Canadian National Exhibition, offers to all comers a magnificent display of paintings gathlired from doe great galleries of England, private and pubiie, and from the studios of the leading painters of the day. Nor is the best produce of the Canadian artist neglected in these loan displays. The visitor of artistic tastes is enabled to gain an excellent impression of the best that has been accomplished in Canada during the preceding twelve months. The expense in transporta-tion and insurance of assembling this great display of pictures is so great that it precludes ordinary exhibitions mbarking on the enterprise. English and American.

to the world made of fruit and the only remedy that will positively cure Const pation. Indigestion, Pain in the Back, Headaches, Rheumatism and all Kinney and Bladder Troubles.

50c a box, 6 for \$2.50, trial sine. 25c.
At dealers, or from Fruit-a-tives Limited. Ottawa.

This year, in addition to a display of paintings by the foremost English and Canadian painters the management of the Canadian National Exhibition has secured a magnificent display of pictures by leading American artists. This will greatly augment the interest of the collection, since the United States has not hither to been represented in the art galiery, altho the high standing of the painters of the sister republic is recognized thruout Europe. In addition in the world made of fruit and the only This year, in addition to a display of paintings by the foremost English cognized thruout Europe. In addition to this exhibit, a number of the mil-Expiry of Electric Light Co.'s Contract Left Darkness. lionaire-owners of private galleries both in Toronto and Montreal have

Because of complaints from the unighted parts of the city, in the district west of Dovercourt-road, the Toronto Electric Light Company again turned on their lights last night and they will burn until the Hydro-Electric lights are all ready. The city's contract with the T. E. L. expired on Tuesday last, so as many of the lights as possible were turned off. That showed up the unlighted spaces and the citzens objected.

both in Toronto and Montreal have kindly consented to loan for the fort-night of the exhibition masterplaces by men of unwonted fame.

Great interest always attaches to the consignment of paintings from England which are annually selected by the expert of the exhibition association, Mr. Temple.

Most Noted Painters.

Dr. J. O. Orr recently received a list of the works which were being packed for shipment, and these included works by

he citizens objected.

Shipment, and these included works by Yesterday Mayor Geary arranged to many of the most noted painters of the have them turned on again temporar- day. As usual the municipal authorities of Great Britain have been gen-R. F. Pack, manager of the T. E. L., said last night that all of the lights were not burning. But that all would be going to night. There are some fant will have to be repaired and have next carbens put implement the part of their permanent possessions. Among those cities which have been drawn on are the Corporation of Liverpool, Southampton, Bristof, Brighton, Rochdale, Bury, Preston, Oldham and Blackburn, while private owners like Sir William H. Lever, Bart, the famous soap manufacturer, have also been Electric lights would be going by Tuesday. The council ordered the lights in

day. The council ordered the lights in the district west of Dovercourt-road turned off then. It will not be long before the Hydro-Electric poles and lan- amount of interest always attaches to ern lights are in place.

Complaints have come to the city Brangwyn, A.R.A., whose work has Complaints have come to the city been seen at the exhibition on several hall about the Lake Shore-read and been seen at the exhibition on several occasions in the past. The London Times says that, as a re-

sult of visits recently paid to America

by the engineer-in-chief and other

headquarters officers of the postoffice,

the postmaster-general has decided to

Britain some of the systems of auto-

matic telephone exchange working

which are now installed in several c.t.es

Three of four different systems are

in use in America, and these have all been investigated roth in the recorrect

and economic aspects. The automatic system represents a radical departure

from the existing general method of exchange working, and it is feit that

in order to keep abreast of telephone progress the time has arrived for giv-

ing these systems a practical trial in Great Britain. The mechanical and electrical problems involved have now

to a great extent been satisfactorily

containing 10 finger holes; these holes are numbered from 0 to 9, and any num-

stop, when it returns to the original

position. Junction work is practically eliminated. The ringing of the called

subscriber is automatic. Calls are me-tered or registered, and arrangements

are made for unregistered caus when taking to officials, etc.
