WEDNESDAY MORNING

GRANDE LIGNE. Que., Jan. 2, 1910. -"My wife was greatly distressed for three years with chronic Eczema on the hands, and the disease was so se-vere that it almost prevented her from using her, hands. The doctor gave her several clutments to use, but none of them did any good. He also advised her to wear rubber gloves, and she wore out three pairs without getting any benefit. As a last resort, I per-suaded her to try Fruit-a-tives, and the effect was marvelous. Not only did Fruit-a-tives' entirely cure the Eczema, but the Asthma, which she suffered from, was also completely cured.

"We both attribute our present good health to 'Fruit-a-tives,'"-N. JOU-

"Fruit-a-tives" will always cure Ec-"Full-a-lives" will always cure Ec-zema or Salt Rheum, because "Fruit-a-tives" purifies the blood, corrects the Indigestion and Constipation and tones up the Nervous System. "Fruit-a-fives" is the only medicine in the world made of fruit juice and valuable tonics, and is the greatest of all blood-nurifying remedies

Valuable tonics, and is the greatest of all blood-purifying remedies. 50c a box, 6 for \$2.50, or trial size 25c. At all dealers or from Fruit-a-tives Limited, Ottawa.

POSTMASTERS RESTLESS

Will Send Delegation to Ottawa for More Pay.

The rural postmasters thruout the Dominion are appealing for an increase of salary, so it has been decided by the Ontario Postmasters' Association to send a deputation of seven to inter-view the postmaster-general at Ottawe next February. An increase of 25 per cent. for the larger offices, and 35 per cent. for the smaller ones, is sug-zetied, and is thought reasonable. Minimum salary at present paid is \$25 per annum. The delegation intends to make the salary question the chief wa next February. An increase of 25 average to make the salary question the chief

is sue.

The delegates will be James Scott of Cinton, who occupied the chair; A. B. Foran, Winona; H. S. Moore, Norwich; P. V. Cate, Oakville; William Forbes, Grimsby; Hugh Sinclair, Beamsville; G. A. Burgar, Weiland; J. L. Tamblyn, Oshawa; A. A. Wright, Renfrew; W. R. Cummings Otherway and W. B.

TRACTION

The following statements, giving the area and yields of the principal field crops of Ontario for 1911, have been compiled by the Ontario Department

compiled by the Ontario Department of Agriculture. Fall wheat: 837,492 acres yielded 17,-926,586 bush. or 21.4 per acre, as com-pared with 19,837,172 and 26.7 in 1910. The annual average per acre for 30 years was 21.0. Spring wheat: 133,711 acres yielded 2,295,524 bush. or 17.2 per acre, as compared with 2,489,832 and 19.3 in 1910. Annual average 15.9. Barley: 616,977 acres yielded 16,248,-129 bush. or 26.3 per acre, as compared with 19,103,107 and 30.5 in 1910. Annual average 27.7.

average 27.7. Oats: 2,699,230 acres yielded \$4,829,232

bush., or 31.4 per acre, as compared with 102,084,924 and 87.0 in 1910. Annual average 85.5.

Ryc: 98.653 acres yielded 1,562,971 bush., or 15.8 per acre, as compared with 1,620,338 and 17.0 in 1910. Annual

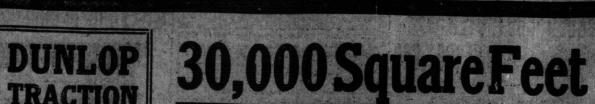

average 16.4. Buckwheat: 189,039 acres yielded 3,-852,231 bush., or 20.4 per acre. as combuckwheat: 18,009 acres yielded 5,-852,231 bush., or 20.4 per acre, as com-pared with 4,693,881 and 24.1 in 1910. An-nual average 20.3, Peas: 804,491 acres yielded 4,462,182 bush., or 14.7 per acre, as compared with 6,016,003 and 14.9 in 1910. Annual average 19.3.

with 892,927 and 17.9 in 1910. Annual with 892,927 and 17.9 in 1910. Annual

Min sp. 21 and 11.5 in 1998 Hinder Werage 17.2. Mixed grains: 486,112 acres yielded 14,845.595 bush., or 30.5 per acre, as compared with 18,261,803 and 36.7 in

Average 344. Turnips: 100,588 acres yielded 39,664,-275 bush., or 394 per acre, as compared with 49,425,472 and 456 in 1910. Annual

average 429. Corn for husking: 308,350 acres yield-

THE TORONTO WORLD

You motorists who have patiently waited your turn for getting Dunlop Traction Treads, here is good news for you: We are adding 30,000 square feet more floor space to our automobile tire plant. Operations have already begun. This big addition will be devoted to the manufacture of Dunlop Traction Tread Tires. Thus we hope to catch up on all back orders, and to keep up somewhat better with the tremendous demand which this tire's great success on the road has brought about.

More Floor Space

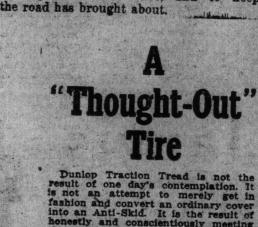

While Dunlop Traction Tread is a tire any motorist might be proud to own the season through, it is a tire whose virtues will be especially appreciated from now right on to next April. The reason for this fire making good at a time of the year when motorists formerly thought automobiling was unsafe, is because Dunlop Traction Tread is a real, downright scientifically built, Anti-Skid tire; a tire the virtues of which can be seen with the naked eye; a tire which can make headway through slush, rain, mud, or grease, without the aid of chains. There are no fears for the car owner when Dunlop Traction Treads are used.

GREAT

DEMAND

EXCEEDS

SUPPLY

Dunlop Traction Tread is not the result of one day's contemplation. It is not an attempt to merely set in fashion and convert an ordinary cover into an Anti-Skid. It is the result of honestly and conscientiously meeting the issue-the mature deliberation of many minds working to a single end -to produce a tire that would be an instantaneous triumph. No expense that justified itself was avoided. No test which was productive of sugges-tions was overlooked. Materials, moulds, methods, one and all only re-ceived their O.K. after the greatest scrutiny.

Time with its abundance of praise heralding the extraordinary service which Dunlop Traction Treads are giving to motorists all over Canada, is the ever increasing kind of evidence which is backing up our judgment every day. the ever i which is every day.
