TEAM DROPS OUT.

Kitchener, June 5.—The executive of the Kitchener Baseball League decided that Henry of Guelph, who pitched the Dominion Rubber team to victory last Saturday against the Kaufmanns, was not eligible to play, and ordered the game replayed. The decision peeved the Dominions, and they have withdrawn from the league. A revised schedule has been drawn and the remaining three teams will battle for the championship.

PROSPEROUS YEAR FOR THE ORDER

Grand Black Chapter, Eastern Ontario, Holds Convention at Kingston.

Kingston, June 5.—That the bilingual question was not dead by any means and that it would have to be taken up and finally settled was one of the things pointed out by M. W. G. M. Sir Knight T. K. Alland, K.C., of Kemptville, in his inaugural address today to one hundred members of the Royal Black Chapter of eastern Ontario at their forty-second annual session which is being held in the beautiful new hall recently erected by local Orangemen. The grand master stated that the past year had been a most prosperous one with the order. There had been several new preceptories formed and there had been a good increase in membership. The general progress had been marked. The grand master made a most stirring appeal for greater enthusiasm in extending the membership of the order. He referred to the home rule question and stated that he hoped the present negotiations now proceeding might solve the problem.

The delegates were given a warm welcome by Mayor J. M. Hughes, who is a prominent member of the Orange order.

Grand Master Allan and Major Gray of this city, recently returned from overseas, replied to the address of welcome.

A special feature of the opening session was the appeal of the grand master for the members to make every sacrifice possible on behalf of winning the war. He said he did not think the people of Canada were yet making all the sacrifices they might.

The following officers were elected: Grand master, T. H. Thompson, M.P., Madoc, Ont.; D.G.M., L. E. Stanley, Ottawa; assistant D.G.M., S. H. Wood, Kingston; chaplain, Thos. Tummon, Crookston; treasurer, Jas. Moore, Evanville; deputy treasurer, Geo. F. Reid, Foxboro; first lecturer, W. Reynolds, Foxboro; second lecturer, W. Birch, Richmond; first censor, R. Armstrong, Ottawa; second censor, W. G. Reynolds, Lindsay; grand standbearer, J. B. Lowry, Frankford; deputy grand standardbearer, Thomas Downey, Carp; first pursuivant, P. C. CAPT. L. D. ANDERSON EXPECTED HOME TODAY

Captain Lou D. Anderson, 92nd Highlanders, with a number of other convalescent officers, is expected to arrive at North Toronto today. Capt. Anderson enlisted with the 48th Highlanders when war was declared in 1914, went to Valcartier, and overseas to Salisbury Plains, and was a sergeant at Langemarck, where he was gassed. He was made lieutenant on the field and after hospital treatment and convalescing in England, during which time he made a brief visit to his home, 90 Admiral road, Toronto, he transferred to the 92nd Highlanders and was back at the front in time to take part in the action of the Somme, where he was again wounded. After recovering he was later on wounded by shrappel at Vimy Ridge, which has since prevented his return to the firing line, altho he has for about nine months been acting as instructor in trench warfare at Bexhill, England, until recently, when a recurrence of his old wound troubles necessitated another trip home with a view to recuperation, that he may again return to the fighting zone and if possible be in at the finish.

WITNESS FOR BILLING SILENT ON VICE BOOK

London, June 5.—Lord Robert Cecil, minister of blockade, replying to J. NO REAL EVIDENCE TO BACK BILLING

Conditions Defence Alleged Affect Only Small Section of People.

London, June 5.—The Pemberton-Billing case has elicited widespread comment. The Times says that the vital point affecting the whole nation is the vague suggestion of vice and want of energetic patriotism that has been publicly canvassed without the remotest prospect of proving or disproving it.

"As for Billing," continues The Times, "we must assume that he is honestly convinced that the country is paralyzed in its prosecution of the war by German blackmail levied on the private lives of thousands of men and women. It is a monstrous libel on the nation, of course. Not a shred of real evidence has so far seen the light. We are absolutely convinced that the state of affairs which the defence alleged is grossly exaggerated, and is limited to an infinitesimal section in every class. Neither in public patriotism nor private morals has England cause to fear comparison with the world."

STEAMER LEAVES DAWSON.

Dawson, Y. T., June 5.—The first steamer of the year booked thru from Dawson to White Horse left last evening with a few passengers for the coast. The first steamers from White Horse to Dawson will likely leave there in a few days. Freight and passengers for Dawson are now gathering at White Horse preparatory to the annual rush inward.

Already there have been scores of applicants, and it is expected that 1,000 will be enlisted without any trouble.
