St. Catharines. Ont, Oct, 3.—A public meeting to discuss the increase in the price of milk to take effect on Sunday, will be held in the city hall tomorrow afternoon. The meeting has been called by Alderman H. E. Rose, chairman of the Conservative committee, in view of the increase in price announced by the Lincoln County Milk Dealers! Association. The price at present is \$3.20 per 100 pounds at the farm and the new price is \$3.50. This would increase the selling price of milk delivered by vendors handling milk from the association from 7 and 14 cents to 8 and 15 cents. There are, however, vendors who do not secure milk from the association members and these could sell below the price set.
