Notes on the past season of 1896 at Edgarstown, Mass. T. D. Brainerd.

Notes on Colias Caesonia. Sent by T. E. Bean.

Notes on the occurrence of Thyatira Rectangulata in Canada. A. F. Winn.

Notes on the season of 1896. H. H. Lyman.

During the season several of our members again co-operated with the Natural History Society in continuing the course of short lectures to young people, on Saturday afternoons, with, it is believed, encouraging results.

Greetings have been exchanged with the newly formed Toronto Branch and we rejoice to learn that another branch has been formed in this Province, in the ancient City of Quebec, where a branch formerly flourished.

The Treasurer's report shows that the finances of the Branch are in a satisfactory condition.

Respectfully submitted on behalf of the Council.

H. H. LYMAN,
President.

The Treasurer then submitted his report, which showed an accumulated balance on hand of \$35.46.

Upon the motion of Mr. G. C. Dunlop, seconded by Mr. O. Stevenson, the reports of the Council and Treasurer were received and adopted.

The President then read his annual address, giving a resume of the past year's work and pointing out a few lines for future guidance.

Some discussion then took place upon the suggestion to obtain a cabinet for a general collection for the Branch, the matter being finally left in the hands of the incoming council.

The following officers were then elected for the ensuing year:

President—HENRY H. LYMAN.

Vice-President—A. F. WINN.

Secretary-Treasurer—LACHLAN GIBB.

Council—G. C. DUNLOP and T. DWIGHT BRAINERD.

The meeting then adjourned.

LACHLAN GIBB,
Secretary-Treasurer.
