Supt, Heard Explains Cost Per Patient as Nearly as Possible.

rintendent T. H. Heard, of Vicoria Hospital, informed the board of control this morning, that it would be mpossible to furnish the information impossible to furnish the information as to the cost per patient, as to drugs, etc. He could not give all the information as to the comparative costs of private, semi-private and public patients, as the reports were made out in the forms demanded by the Government. To get the details wanted by the board, a system of accounting would have to be put in that would require much expert assistance, and would be rather expensive.

require much expert assistance, and would be rather expensive.

He estimated that private patients cost the hospital \$2.50 a day, semi-private \$2.00 a day, and public patients \$1.50 a day. That was as near as he could give the informtion at this time.

Mr. Heard expressed his willingness to meet the board, and answer all questions that might be asked of him. He will attend when the estimates.

arged with non-payment of wages to orge Margos, a waiter, was adjourned police court today until next Monday, in police court today until hext Monday, the complainant failing to appear.

Margos was to have had a witness at the hearing today who was unable to be present at the first hearing on Thursday.

Magistrates Macklin and Dyer believed that Margos had misunderstood the attested.

The 122nd Battalion of Galt obtained by far the largest number of men, 94 having joined that unit. This was possible owing to the much easier requirements of the Forestry Battalion regulations. The 122nd is now a composite unit, recruiting both for infantry and forestry branches. t Margos had misunderstood he and ordered the adjournment.
