New Zealand and Australia Welcomes to U. S. Fleet Have a Deep Significance.

NEW ZEALAND WEL-COMES TO U.S. FLEET.

Welcome White Hand across the sea, America our ally. Japan our Remember the Maine. Japan must follow Spain.

The Monkey (Japan) grins and shows his teeth, Call again. White Man. Bye-and-bye he's going to bite. Bye-and-bye me'll have to fight. We're far from home and all alone,

He's the dog and we're the bone. Call again, White Man.

NEW YORK, Sept. 29.-The Herald's special corresponden, writing from Sydney, N. S. W., gives extended reing as the parade passed by, which voiced in verse the real reason for the acclaim of the visiting fleet and the text of which is given herewith. The correspondent writes:

Face to face with the problems of the Pacific and assailed by fears for

Diverse inferences have been drawn but conservative analysis of editorials BERMUDA'S CHIEF JUSTICE speeches and private conversation yields the opinion that the acclaim with which one-sixth of Australian's 4,000,000 inhabitants have honored the fleet at Sydney—and a similar number waits to greet it at Melbourne springs from the British Cov.

> were found at hand for an Australasi-an-American entente, namely, a warm friendship attributed to common an-cestry, a firm idea that American and English ideals and interests are so nearly identical that the arms of one are the defence of the other, divers banners proclaiming hands across the the sea, and proclaiming that "blood is thicker than water," a friendly British cruiser squadron, an agreeable goverthicker than water," a friendly British cruiser squadron, an agreeable governor, who gave imperial countenance to the love feast, and finally the picture everywhere of President Roosevelt and King-Edward ranged side by side, just as fraternizing monarchs are linked in portraiture when a European entent is in the making.
>
> The diplomatic cook book directs

> The diplomatic cook book directs brisk stirring under such conditions, and stir it the American officers and men, fifteen thousand in number, did with a right good will, being met more with a right good will, being met more than half way by one hundred thousand colonial officials and citizens who gathered at the metropolis of New Zealand to view the greatest naval spectacle ever seen in the South Pacific. Never had a battleship before visited Auckland.
>
> Rear Admiral Specy deposits the same seen in the South Pacific Never had a battleship before visited Auckland.

visited Auckland:
Rear Admiral Sperry deemed the
warmth of the reception sufficiently
important to cable a special report to
President Roosevelt; who acknowledgeed it in a message to the governor of New Zealand, Lord Plunkett, and the prime minister, Sir Joseph Ward. This word from President Roosevelt was word from President Roosevelt was especially appreciated, as the reception in a peculiar sense was marked by the great admiration which the people of the commonwealth have for

what their personal opinions as to the purpose which sent the American battle ships to the Pacific may be the officials of the colonies of Great Britain, which maintains an offensive and defensive alliance with Japan, do not permit themselves publicly to state. Wellington, Christchurch, Sydney and other thriving cities, as well as the other thriving cities, as well as the man on the vast and prosperous sheep stations, is frank in the opinion that the American fleet is parading the world as an object lesson in American naval efficiency, and will not leave the Pacific if danger exists for the predominance of American interests or the predominance of the "consideration". ests or the principle of the "open door" and equal commercial opportunity. The speeches contained no reference to Japan, but overflowed with declarations that the kinship of the United States and the British Empire were so close that in no circumstances would they ever be found opposed one to the

But the banners and decorations in many cases, the veiled hints in some official speeches and the open talk of the ordinary New Zealander and Australian all showed that the fleet's visit was accepted as a declaration that America proposed to stand up for the white man and that it had sent its battleships to the Pacific to show that it did not intend to yield an inch to aggression from any source
