most beautiful, useful and complete al-It contains not only all the scientific information concerning the moon's phases, in all the latitudes; but has allustrated articles on how to read character by phrenology, palmistry and birth month. It also tells all about card reading, birth stones and their meaning, and gives the interpretation of dreams. It teaches beauty, cul-ture, manicuring, gives weights and measures and antidotes for poison. In fact, it is a Magazine Almanac, that not only gives valuable information, but will afford much amusement for every member of the family, especially for parties and evening entertain-ments. Farmers and people in the ru-ral districts will find this Almanac almost invaluable. It will be sent to anyone absolutely free on application to the Munyon Remedy Company, Philadelphia, Pa.

A BROKEN-DOWN SYSTEM. This is 2 condition (or disease) to which ductors give many names, but which few of them really understand. It is simply weakness—abreak-down, as it were, of the vital ionces that sustain the system. No matter what may be its causes (for they are almost numberless), its symptoms are much the same; the more prominent being sleeplessness, sense of prostration or weariness, depression of spirits and want of energy for all the ordinary affairs of life. Now, what alone is absolutely essential in all such cases is increased vitality—vigour— VITAL STRENGTH & ENERGY
