AMERICAN LEAGUE TO THE CANADIANS

Ban Johnson Announces Baseball Fund for Our Soldiers.

Chicago, Dec. 13.—(Special.)—The American League club owners during the second day of their annual meeting, a five-hour session yesterday, failed to produce definite action on any question of the league's policies during the coming season, but it is understood that the owners have made up their minds as to the course to pursue and probably will finish business by tonight.

Johnson favored a war clause inserted in contracts for the 1918 season. The club owners, however, were reluctant to agree to the extent of protecting the club owners. The latter would be employed from the military service in the event the player enlisted or is drafted. But if the player returns to the game after being discharged from military service he must consider himself still bound to the club with which he last signed.

While it is regarded as practically certain that the two leagues will decide on a 154-game schedule for next season, the American League executive committee, advised by the National League, president of the Cincinnati Reds and chairman of the National League, advised that the question of a schedule still was open with the National League. President Johnson, however, a 140-game schedule and will make a fight for it, but probably will be obliged to accede to the wishes of the older organization, as both leagues use the same park in New York.

After agreeing to retain the present player limit the American League decided to hold a "hot and cold fund day" in every city in the league next June. Twenty-five per cent. of the gross receipts will be donated to the fund for the purchase of baseball goods for American soldiers. President Johnson also announced that the league would raise a fund to buy baseball equipment for Canadian soldiers.

The Philadelphia club of the American and National League will play an exhibition game early in the season to raise a fund for the widow of William G. Warr, of Philadelphia, secretary of the Baseball Writers' Association, who died recently. The suggestion for the benefit game was made by Connie Mack, manager of the Philadelphia Athletics.

ON THE WAY.

New York, Dec. 13.—National League baseball club owners left here this morning for Chicago where they will meet the American League magnates in a joint conference to discuss the terms of a new agreement. The meeting is expected to be a long one, as the two leagues are at present in a state of "hot and cold" over the proposed new agreement. The Philadelphia club of the American and National League will play an exhibition game early in the season to raise a fund for the widow of William G. Warr, of Philadelphia, secretary of the Baseball Writers' Association, who died recently. The suggestion for the benefit game was made by Connie Mack, manager of the Philadelphia Athletics.

NOW WANT LARRY TO LEAD REDS

Cincinnati, Dec. 13.—(Special.)—It was learned here tonight that the management of the Cincinnati Club next season, Larry Lajoie, the man who won a pennant for Toronto this year, is said to be the man selected to fill Matty's shoes if he is disposed of.

From another source comes the news that Matty will be shifted to St. Louis to manage the Cardinals.

AMERICAN LEAGUE ON PROPER PLAN

Retain Player Limit and Spring Training Trip—Joint Meeting Today.

Chicago, Dec. 13.—Retention of the 25-player limit and continuation of the usual spring training trips were decided upon at the closing session of the American League meeting tonight. The club owners cleared up these points in preparation for the joint meeting with the National League here tomorrow.

Summarized the important questions to be considered by the 16 club owners of the two leagues are:

The advisability of reducing the playing schedule to 140 games.

The advisability of a 154-game schedule running only five and a half months.

Devising a method to collect the federal war tax.

Settlement of the financial obligations resulting from the Federal League war.

Suggestion of a new division of the world's series receipts.

OPENING CONTEST AT ARENA TONIGHT

Dentals and Hamilton Proceeds to Halifax Fund—Beaches League Meeting.

The first hockey game of the season will be staged at the Arena tonight when Dentals, senior O.H.A. and Canadian amateur champions, will meet Hamilton, O.H.A. intermediate titleholders. The Hamilton team have been practicing for over two weeks, and are in tip-top shape. They have several new men this year and should be worthy opponents of Jerry Laframme's good outfit.

All the players working out for a place on the team are in the arena tonight. The six-man style of hockey will be in vogue in this game and those fans who missed it at the fall-end of last year will have a chance to see it with the old style of seven men on the ice.

The proceeds of the game will be turned over to the sufferers in the recent disaster at Halifax, and it behooves the hockey fans to turn out in large numbers and swell the fund.

A general meeting of the Beaches Hockey League will be held at the Broadview Y.M.C.A. on Thursday evening, Dec. 20, at 8 o'clock sharp. It is urgent that every club be represented at this meeting, as the teams will be grouped in their respective series and conveners appointed to draw up the schedule. Besides all other matters of importance will be discussed. Referees wishing to officiate in this league should send in their applications to the secretary at once.

Upper Canada College trotted out an even dozen candidates for their junior O.H.A. team at their first practice yesterday. Five members of last year's squad were on hand and the other seven were new men to the O.H.A. Four boys from the second team of last year are trying for a job in the first team. Some of the likely-looking boys were among the squad and Upper Canada should be able to put a strong team on the ice in the prep college group.

Handkerchiefs, goal: McDonald, Tyrell, Todd and Wright are the members of last year's team who are out again. Gillespie, goal: Beatty and Mitchell, defence: Ballantyne and Ross, forwards, played on the second team last year. They want jobs on the first outfit this season. Doyle from Owen Sound, and Black from Edmonton were out yesterday.

Holy Family Church will enter a team in the Beaches Hockey League. They have a host of youngsters and should make a good showing.

The following entries were received at O.H.A. headquarters yesterday morning: Preston, senior; Kingston, intermediate and junior; Oshawa, intermediate and junior; Port Hope, junior; Owen Sound, junior; Seaforth, junior. Today is the last day for O.H.A. clubs to make entries for the coming championship season, as the teams will be grouped at the meeting of the executive tomorrow night.

There is every reason to believe that the formation of a senior O.H.A. group smoothly together and had the combination of the two teams. They worked in close to the defence each time and the manager was pleased with their work. Meeking is showing a fine-class article. This season and it is going to take a mighty good map to keep him off the regular lineup.

The Beaches League made a tentative plan when they appointed Bro. Phillips, of De La Salle, to act on the executive. He is a great booster of the game among the young fellows.

Bellevue are the latest applicants for admission to the Beaches League. They will place a team in the junior series.

Philadelphia, Dec. 13.—It was learned from a trustworthy source here today that the money consideration involved in the sale of Fitcher Greer's C. Alexander and Catcher William Kilmer by the Chicago National League Club to Philadelphia Nationals, is \$50,000. Of this amount, \$25,000 is to be paid at once, and the remainder is to be turned over before the 1918 season opens, provided Alexander is not drafted into the national army before that time.

CRESCENTS IS NAME OF THE NEW CLUB

Play in the Senior Ranks—Pros Hold Good Practice—Gossip.

T. R. & A. A. will not operate this year. The club to play in their stead will be the Crescents. This is the name adopted at a meeting held yesterday afternoon. The T. R. & A. A. players will be with the new club. The colors will be red and white. The officers elected yesterday were: Honorary president, Dr. O. A. McNicol; honorary vice-president, Griffith B. Clarke; president, Dr. H. M. Cook; vice-president, Harrie Ardie; secretary-treasurer, F. A. Henderson; coach, F. H. Sproule.

Willard Box and Jerry Laframme will play tonight against the Hamilton team.

Any information with regard to Beaches League can be had by writing Secretary, P. B. Peasey, 194 Kensington avenue. Clubs wishing to secure certificates can do so by mailing their fees to the secretary.

Louie Hudson turned out with the Dentals last night and showed a barrel of speed.

Here is the daily mail from Montreal: Art Rose, manager of the Wanderers Hockey Club, is trying to complete his team in such manner that it will be of sufficient strength to compete against the three other teams of the National Hockey League. "I want it understood," said Mr. Rose, "I have not received any official intimation about this 24-hour clause issued by the president. I have been trying to get one of the men Mr. Kennedy has offered us, and I think I will be able to close with him shortly. I have one other man in view, a man who does not belong to any other club in the N. H. L. If I get these two men I think I will be justified in keeping our team in the league as a team likely to give others a fair run for their money. Before this I was unable to show anything but a team much weaker than the others. At the same time I cannot make any definite announcement until I receive a communication from my president, who is in the United States, but whom I expect to connect some time today. It is entirely my own belief that Rose expects to strengthen his Wanderers with the aid of Mummy, who was offered to him by Managing Director Kennedy of the Canadiens, and an amateur from Ottawa, who he thinks is a "comer."

Charlie Querris has his full squad out at the Toronto pro practice yesterday morning and there was some lively work. Charlie tried splendid combinations on the forward line and the best-looking of our players composed of Reg. Noble at center, Harry Macdonald, left and right, Skinner at right. This trio worked smoothly together and had the combination of the two teams. They worked in close to the defence each time and the manager was pleased with their work. Meeking is showing a fine-class article. This season and it is going to take a mighty good map to keep him off the regular lineup.

NEW JUNIOR OUTFIT HOLD FIRST PRACTICE

Beaches Trot Out a Likely Looking Lot—Dentals Hard at Work.

The Beaches, the new junior O.H.A. club, held their initial practice at the Arena yesterday. Coach Eddie Longfellow trotted out over twenty youngsters and in this lot were many good ones.

Eddie Longfellow had considerable trouble sorting out the youngsters. Spring and Dye, who went to Detroit with De La Salle, appeared with the new club. Clegg, the good Beaches League boy, was another out. Decker, a former Oakville boy, looks like a find.

Withers, Pennock, Stewart, Davis, Grace, Adams, Gallagher, McBride and Martin were a few of those noticed.

The champion Dentals only had a small turnout for their practice yesterday afternoon, but a good workout was indulged in. Olson, the Winnipeg boy and a candidate for a forward job, lot during convalescence. After an extremely active season in Toronto the Shriners last night transferred their patriotic efforts to whitely Convalescent Corps, in a fast exciting preliminary.
