Revolving Fund Loan
Enoch Band

On September 18th, 1967, we sent \$200.00 to the Chief Treasury Officer on our Receipt Voucher 09526 as a payment of Band debt by Adolphus Cardinal. No. 208, Enoch Band.

We have now been informed that this payment was a payment on his Revolving Fund loan issued by the Enoch Band. They would like to have this money so they could deposit it to their account for further loans.

Could a cheque please be issued to the Enoch Band Revolving Fund as a credit to the loan of Adolphus Cardinal?
