

**TWO PENNY MAGAZINE;**  
OR  
**THE WEEKLY MUSEUM OF LITERATURE, AMUSEMENT, AND INSTRUCTION.**

AMONG all the periodical publications of New-  
Brunswick and the sister Province, there is none  
so generally read, or so generally appreciated, as  
this. The very nature of its instructions and amuse-  
ment, affords to readers much interesting matter, unac-  
cessible to any other publication. It is especially  
valuable to the industrious and the daily occurrences of life;  
and more especially as they are adapted for the in-  
struction of the young. The writer has had re-  
peated opportunities of discovering, that something of  
a different nature is very desirable; many parents  
wish for the establishment of a small publication, ex-  
clusively composed of such instructive and enter-  
taining matter, as they may safely furnish for the regular  
perusal of their children; while country residents, who  
greatly desire an opportunity of obtaining a periodical  
supply of useful and amusing information, at a cheap  
rate. To accomplish this desideratum, and thus to af-  
ford an agreeable companion for the leisure hours of  
such persons, it has been determined to commence the  
publication above named. The work will consist of a  
pleasing and varied succession of brief articles, com-  
prising every description of useful information, (ex-  
clusive of politics and daily news,) in LITERATURE,  
SCIENCE, and the ARTS; original and selected TALES,  
SKETCHES, BIOGRAPHICAL ANECDOTES, ESSAYS, RE-  
LATIONS, Notices of New Publications, POETRY, &c.; &c.  
in short, it is intended to form a complete Museum of  
useful and interesting reading, such as may be ac-  
ceptable to all ages and classes, and which, while it  
will occupy the mind with varied subjects, will in  
every thing be auxiliary to the promotion of religion  
and morality.

The **TWO PENNY MAGAZINE** will be printed on good  
paper, with new type; each number will contain eight  
handsome octavo pages, which will be **paged successively**,  
so as to form a neat volume at the end of the  
year. From its exceedingly low price, (only **two pence**  
per weekly number,) it will be within the reach of  
all classes, and it is therefore to be presumed, that it will  
secure an extensive circulation; which, alone, can  
ensure its continuance. The first number will appear  
on **Wednesday, December 3d**, after which it will be  
published on every succeeding **Wednesday**, and sold at  
the store of the Editor and Proprietor,

**GEORGE BLATCH,**  
Market Square, St. John, Oct. 4.

Editors of Newspapers will confer a favour by bestow-  
ing a friendly notice on the above, and by other  
respectable individuals, are respectfully requested to act as  
Agents for the work. Every Agent, obtaining and guaranteeing  
subscriptions for six months, will receive an additional  
copy gratis. Liberal allowance to Booksellers, &c. purchasing  
quantities. It is to be noted, that, as the number of orders  
should be forwarded to the Editor previous to the publication  
of the first No., for the purpose of regulating the number of  
copies to be struck off.
