Fat That Shows Soon Disappears

Prominent fat that comes and stays where it is not needed is a burden, a hindrance to activity, a curb upon pleasure. You can take off the fat where it shows by taking after each meal and at bedtime, one Marmola Prescription Tablet. These little tablets are as effective and harmless as the famous prescription from which they take their name. Buy and try a case today. All druggists the world over sell them at one dollar for a case or you can order them direct from the Marmola Co., 4612 Woodward Ave., Detroit, Mich. You can thus say goodbye to dieting, exercise and fat, and you don't have to use disgusting salves and greases.
