THE FIGHT FOR HEALTH

is easily won by the man or woman who is willing to live in harmony with Law. Cut out

pills, live much in the open air, eat less meat and more Shredded Wheat -a simple,

nourishing, easily digested food, made of the

whole wheat grain prepared in a digestible form. Give Nature a chance. Heat two Bis-

cuits in the oven and serve with hot milk (or hot salted water) the cheapest meal in the world and so nourishing and strengthening!

Put the butter c. a bowl and drop on it to the drops from the bottle of oring. If using the capsules, pierce ne of these and squeeze contents over the butter. Work the butter with a spoon (a large wooden one is best), mixing color in thoroughly, and in a minute you will find it the color of large wooden. June grass butter. Do not heat the butter before mixing; but if it is left in a warm room for a while before mixing it will color more easily.

This color, which is the same as that used by the creameries, is purely vegetable and contains no harmful ingredients.
