

Big Hoosier Club Sale Starts Saturday Morning

Only \$1.00 Cash Puts This Hoosier In Your Kitchen Now Pledge To Hoosierize Your Kitchen

AN APPEAL TO EVERY WOMAN PLEDGED TO SAVE

THE nation's food all comes to the kitchen first!—consider that. And if men expect women to help in the war on waste, they should give them the strong right arm of kitchen service—the Hoosier Cabinet.

The second million are being distributed now. If you are a woman, you have a right to the Hoosier. If you are a man, see that your kitchen gets this labor-saving machine at once. Hoosier saves more than food alone—time and work and health. It is wasteful to be without it.

Pledge yourself shorter hours and a longer life—pledge yourself the Hoosier happiness, and start at once. Emergency orders now far exceed our output. Come here and order your Hoosier Cabinet before our stock is broken.

As Perfect As Experts Can Make It!

Every Kitchen Cabinet device has been tested by Hoosier makers.

The conveniences that have proved valuable, have been adopted. Those not up to Hoosier's standard have been rejected.

So the Hoosier today is a 20-year development. It contains all wanted features. And only those that are practicable.

Hoosier's Council of Kitchen Scientists—all talented women—are using the Hoosier constantly to find new improvements.

No other maker controls the genius possessed by these brilliant women of the Hoosier staff. If a better cabinet could be built, The Hoosier Company would build it.

4 Urgent Reasons Why You Should Act At Once!

1—Because duty (as well as reason) now demands that you conquer waste in the kitchen and you can do it most easily and completely by having this labor-saving machine.

2—Because many popular models are now offered at before-war prices. And you can pay as convenient.

3—Because no other cabinet brings you the ideas of the brainy women composing Hoosier's Council of Kitchen Scientists. No other has Hoosier's scientific arrangement and patented features.

4—Because our allotment is limited—the war-time demand already exceeds the factory's output. Our advice is this—Come pick out at once the model you most admire.

HOOSIER KITCHEN CABINET

HOOSIER SAVES MILES OF STEPS

Within arm's reach are places for 400 articles. The most used things are nearest—each one put there by science, after thousands of trials to determine which place is handiest. Hoosier protects food by keeping supplies in place. By preventing guesswork and waste in measuring and mixing.

With intelligent use, the cabinet will soon pay its cost.

THE IMMEDIATE CLOSING

of this sale may be caused by tomorrow by the number of women who enroll on this Hoosier Club Plan. If all the women who need Hoosiers should come tomorrow, our allotment would be taken before night and the sale would close. This has happened in many similar sales throughout other cities. On the other hand, if women delay, the sale may last all week. This, too, has happened. Which now is best for you, to delay and take chances of missing this opportunity or to come today and find out about this cabinet, so you can decide before it is too late!

It cannot take you ten minutes to decide. Over 1,000,000 women already have Hoosiers.

JOIN HOOSIER CLUB SALE SATURDAY—EASY TERMS—EASY TERMS!

- 1.—\$1.00 down puts this Hoosier in your kitchen.
- 2.—\$1.00 weekly quickly pays for it.
- 3.—The low cash price fixed by the factory prevails strictly.
- 4.—No interest or extra fees.
- 5.—Only a limited number of these Cabinets will be sold.

Only those women who grasp this opportunity tomorrow can be sure of getting one of these Cabinets on this Liberal Hoosier Plan.

NOVEL ENTERTAINMENT

Very Successful Event Promoted by N. H. S. Junior Associates

A very successful novelty entertainment was given in the museum last evening by the Junior associate members of the Natural History society. The lecture room in the museum was crowded to the doors and the entertainment was a confirmed success in every way.

The programme was opened by a ballet entitled Mousme of the Japanese Toyshop, and this proved to be one of the premier features of the evening. Miss Bertha Jonah most acceptably filled the leading role of Mousme. Miss Margery Robertson was in charge of this number. The second number was composed of two dances, the first being a minuet "In the days of long ago," by Miss Emma Rand and Miss Marion Chamberlain, and the second, a Fox Trot, "the present time," by Miss Marjorie Sanction and Miss Edith Peterson. Both dances were carried out in a most graceful and creditable manner.

Next the programme was a Grecian dance by Miss Marjorie Sanction. The dance was characteristic of the artistic temperament of the Greeks and full justice was done to it by Miss Sanction. The next number was a minstrel show and was one of the leading features of the evening. All the minstrels displayed considerable histrionic ability and judging from the applause that they received their efforts were appreciated by the audience. The minstrels were adorned with many novel costumes and their "jokes" and singing would have done credit to a real southern aggregation. Miss Audrey Hunter was in charge of this portion of the entertainment.

After the conclusion of this number Miss Marjorie Sanction again delighted the audience this time with a Spanish dance.

The final number was a tableaux entitled "A Day at Camp Paqueneux." This scene depicted a typical day with the girls at the summer camp and brought back to all the memory of the "good old summer time." Miss Margaret Dunlop, one of the prominent "camp girls," was in charge of this act and great credit is due to her and to the members of the cast for its undoubted success.

After the conclusion of the entertainment the rest of the evening was spent in dancing. Candy was on sale during the evening, and Miss Edna McQuade was in charge of this. The programme and cast follows:

Mousme of the Japanese Toy Shop.

Honorable father Ellen Gregory

Tokey Bertha Jonah

Kido Marjorie Johnston

American tourist Marian Burley

The cast: Marjorie Manning, Clem Fenton, Edith Peterson, Audrey Campbell, Irene Brown, Helen Simms, Jean Wilkins, and A. Gordon Leavitt (Beloved, the camp pet).

SAYS CITY SHOULD RUN PLACES OF AMUSEMENT

Earls Court, Mar. 15.—During an address at a meeting of the Men's Own Brotherhood of Earls Court Central Methodist Church, J. J. Kelso, provincial secretary of the Children's Aid Society, advocated that the city should take over places of amusement such as the chief moving picture houses and vaudeville shows and run them under municipal control, subject to municipal censorship. He pointed out that then the shows would be of a high standard and of an educational value. Besides, the revenue would be kept within the country, whereas now the bulk of the money from these shows in Canada, went to the United States.

Mr. Kelso also thought that the time was coming when the doctors would be employed by the state, and then poor people now unable to receive medical attention would receive proper attention at the expense of the state. He also advocated taxation reform.

THE 2 BARKERS LIMITED

THE SANITARIUM AT RIVER GLADE

Fredericton, March 14.—Encouraging results of the work of the Jordan Memorial Sanitarium are given in the annual report of the superintendent, Dr. David Townsend, which with its exhaustive statistical tables, has been presented to the legislature. The results of treatment this year show an improvement over last year, fifty per cent. of those discharged were

discharged either apparently arrested or apparently quiescent. The average length of stay of these cases was longer, the average gains in weight greater, as was the number who gained in weight. A few number lost weight. We have had for some months and still need, however, more room for civilian patients. We have had for some months and still have a large waiting list, especially for females, and I would respectfully urge that some provision be made the coming year whereby we may increase our capacity for civilian patients.

It is expected that before the summer we shall have a ward ready for the care of returned tuberculosis soldiers of the province. Work has already started on this. When completed this will fill a long-needed want as there is a large demand for beds for these unfortunate

throughout the dominion. When the renovations are completed we shall have beds for 56 of these patients, 48 in the ward and 8 in an infirmary. This will increase the total number of beds in the institution to 86.

The statistical report regarding patients for year ending Oct. 31, 1917, is as follows:

In sanatorium, Oct. 31, 1918 23

Admitted, 1916-1917 84

Treated during the year 107

In sanatorium, Oct. 31, 1917 27

To be reported upon 80

Condition of patients on entrance: Independent, 37 or 41.4 per cent.; moderately advanced, 48 or 58.3 per cent.; total, 85, or 100 per cent.

Condition of patients on discharge: Apparently arrested, 10, or 16.4 per cent.; apparently quiescent, 27, or 32.1 per cent.; improved, 31, or 38.3 per cent.; unimproved, 7, or 8.9 per cent.; stationary, 2, or 2.4 per cent.; total, 80, or 100 per cent.

In connection with this table it may be of interest to note that since the opening of the institution in 1913, 306 cases have been discharged. So far as we are able to trace but 68 of these have died.
