ST. GEORGE'S SOCIETY  
ON THE MIRAMICHI

In response to a somewhat hurried call  
several Englishmen and men of English  
descent assembled at the Town Hall in  
Newcastle the other evening to take ad-  
vantage of the presence of J. C. Anderson  
of Fredericton, who would give an address  
on St. George's Society. Such a society  
was formerly in existence on the Miramichi,  
but it was allowed to die out. At the  
conclusion of Mr. Anderson's address, it  
was resolved to form a branch of the so-  
ciety on the Miramichi, and a committee  
consisting of Colonel Malby, Town Clerk  
of Fredericton, and a number of English  
and Scotch residents, was appointed to  
ascertain what residents were eligible for  
membership and to endeavor to enlist their  
co-operation and sympathy in the forma-  
tion of a society.

The D. F. Brown Paper Box Co.  
87 Canterbury Street  
WILL RUN ALL WINTER  
Eastport, Sept. 8—The new canning plant  
of the Canadian Sardine Co. at Chamcook,  
N. B., will be ready to take fish in about  
two weeks and already a large number  
of Norwegian girls have arrived at St.  
Andrews to be employed packing sardines.  
It is the intention of this company to  
carry on the canning of vegetables and  
other food stuffs on an extensive scale, and  
it is hoped to operate the plant the year  
round. The girls from the city are already  
employed at Chamcook and it is expected  
that many more experienced packers will  
go from the factories both in this city and  
Lunenburg to seek employment in the new  
plant, where they will get steady work  
all winter.

TRAINING POOR GIRLS

Miss Dorothy Whipple, younger daughter  
of Mr. and Mrs. Sherman L. Whip-

invites ten girls to her home in Clifton  
ville, where they are housed in a cottage  
on her father's estate.

THE LAST RESORT.

Aggrieved he would go, so he bought a  
very complete outfit at a west end shop,  
and spent several hours dressing himself  
for the part.  
Then he bled himself to the course, and  
engaged a caddy to carry his expensive set  
of clubs.  
But he couldn't play golf. The nearest he  
could get to hitting the ball was lifting  
the huge pieces of turf, which the caddy  
sternly told him had to be replaced.  
After the 17th miss, he lifted a large  
square of grass, and, lifting it up looked  
depressingly at the caddy.  
"What shall I do with this?" he asked  
depressingly.  
"I dunno, sir," said the caddy, in disgust  
"unless you take it home and practice on it."

OLD LADY ALMOST CRAZY WITH ECZEMA

A Remarkable and Convincing State-  
ment of the Success of Cuticura  
Soap and Ointment in the Treat-  
ment of the Pain, Itching and  
Burning of Eczema

"I, the undersigned, cannot give enough  
praise to the Cuticura Remedies. I had been  
doctors for at least a year for eczema on  
my foot. I had tried doctor after doctor all  
to no avail. When a young girl I sprained  
my ankle three different times, paying little  
or no attention to it, when five years ago  
a small spot showed upon my left ankle.  
It was eczema. He drew a small hole  
from the ankle about the size of a match  
and about as deep. The doctor never could  
heal the hole in the ankle.  
"My husband and my sons were up night  
and day wheeling me from one room to an-  
other in the hope of giving me some relief.  
I would sit for hours at a time in front of  
the fireplace hoping for daylight. The pain  
was so intense I was almost crazy.  
In fact, I would lose my reason for hours  
at a time. One day a friend of mine dropped  
a bottle of Cuticura upon my foot. I rubbed  
it on my foot and the next day the pain was  
gone. I was cured. Being disgusted with the  
doctors and their medicines, and not being  
able to sleep at all, I decided to give the  
Cuticura Soap and Ointment a trial. After  
using them three days that small spot on  
my ankle had become a large one, and I was  
in agony. I was in heaven. After using the  
Cuticura Soap and Ointment for three days  
I was cured. I will be forty-four years  
of age my next birthday, hale and  
strong. I have been using Cuticura Soap  
and Ointment for three years. I have never  
been troubled with eczema since. I have  
sent to Potter & Co., 27 Columbus St., Boston, U. S. A.,  
for free sample of each with 32-c. book."

10 Girls Wanted At Once.

The D. F. Brown Paper Box Co.  
87 Canterbury Street  
WILL RUN ALL WINTER  
Eastport, Sept. 8—The new canning plant  
of the Canadian Sardine Co. at Chamcook,  
N. B., will be ready to take fish in about  
two weeks and already a large number  
of Norwegian girls have arrived at St.  
Andrews to be employed packing sardines.  
It is the intention of this company to  
carry on the canning of vegetables and  
other food stuffs on an extensive scale, and  
it is hoped to operate the plant the year  
round. The girls from the city are already  
employed at Chamcook and it is expected  
that many more experienced packers will  
go from the factories both in this city and  
Lunenburg to seek employment in the new  
plant, where they will get steady work  
all winter.

TRAINING POOR GIRLS

Miss Dorothy Whipple, younger daughter  
of Mr. and Mrs. Sherman L. Whip-  
ple, of Boston, has renounced the social  
life to train poor young girls in the art  
of housekeeping. Each week Miss Whipple  
invites ten girls to her home in Clifton  
ville, where they are housed in a cottage  
on her father's estate.

THE LAST RESORT.

Aggrieved he would go, so he bought a  
very complete outfit at a west end shop,  
and spent several hours dressing himself  
for the part.  
Then he bled himself to the course, and  
engaged a caddy to carry his expensive set  
of clubs.  
But he couldn't play golf. The nearest he  
could get to hitting the ball was lifting  
the huge pieces of turf, which the caddy  
sternly told him had to be replaced.  
After the 17th miss, he lifted a large  
square of grass, and, lifting it up looked  
depressingly at the caddy.  
"What shall I do with this?" he asked  
depressingly.  
"I dunno, sir," said the caddy, in disgust  
"unless you take it home and practice on it."
